Re-roofing Program

At our last meeting with the architects, contractors and Department of Education Representatives, it was necessary to modify the commencement date for this program. The program will commence on Monday 25th March with work being done to the steel framework only on the roof of Cluster 3.

There will be no asbestos removal done until the April/May holiday period where both Cluster 1 and 3 will have any of these panels removed. Please be assured that this type of program is conducted with many schools across the state and the company responsible is highly recommended by the Department of Education for their safety procedures. There will be external independent monitoring conducted to quality assure the program. It is also standard practice to have a team of the Department of Building, Management and Works (BMW), Department of Education Representatives and Senior Contractor Managers to oversee the program as well.

The contractors will be working to finish Cluster 3 ready for occupation by our students for the beginning of Term Two.

Work on the steel framework for Cluster 1 will commence at the beginning of Term Two after Cluster 3 is completed and will take approximately two to three weeks.

Obviously classrooms will need to be vacated for the period of each refurbishment. The arrangements for Cluster 3 will be as follows:

- Room 13 will move to the LOTE Room (Room 11)
- Room 14 will move to the Music Room
- Room 15 will move to the Science/Art Room
- Room 16 will move to the Library
- Room 17 will move to the Staff Room (Room 5)

Please be assured that the staff are working hard to ensure there is minimal disruption to the learning programs in their classrooms and the teaching and learning program across the school.

Cluster 1 arrangements will be announced closer to the end of term.

Harmony Day—Tomorrow Thursday 21 March 2013

Tomorrow is Harmony Day. Harmony Day is a day of cultural respect for everyone who calls Australia home – from the traditional owners of this land to those who have come from many countries around the world. By participating in Harmony Day activities, we can learn and understand how all Australians from diverse backgrounds equally belong to this nation and enrich it.

To help celebrate Harmony Day students are able to wear the colour ORANGE to school tomorrow. The canteen is also supporting Harmony Day by having a special selection of foods available. Students who order these foods will receive a free icy pole.

Bluguru Incursion

Last week information went home with each Pre-primary to Year 7 student on our upcoming incursion with Bluguru. Two concerts will be held for our students on Thursday 28 March 2013. The cost of this incursion is $5.00 per student which is payable to your child’s classroom teacher. Please complete the tear-off slip on the bottom of the parent information letter and return this, together with $5.00, no later than Wednesday 27 March 2013. If you have misplaced your letter, there are spares available from our front office.

Camboon Primary School

After School Mathletics
The re-roofing program set to begin next week will also impact upon our Computer Lab. For this reason After School Mathletics run by Mrs Rintoul on Monday afternoons will be suspended until next term. We apologise for any inconvenience caused and will look forward to restarting this program in Term 2.

School Board Voting
Attached to your newsletter is the voting package for a parent representative for the School Board. Two nominations have been put forward for consideration by the school community. The candidates have written a statement for this. Please read the statements and vote for your preferred candidate by placing a (1) next to the person you consider would be most suitable for the position.

Voting is not compulsory, however, according to our ‘Terms of Reference’ each parent listed on the school enrolment form for each child is eligible to vote. Therefore most families will have two votes. We do acknowledge that in some cases there is only one parent listed. This would then mean only one vote would be forwarded back to the school. Should you need more than two votes per family please contact the Principal for clarification.

Please Return Ballots By Thursday 28th March to your classroom teacher

Noranda Toastmasters Club - Improve Your Public Speaking and Communication Skills
The club offers a supportive, encouraging, self-paced and fun environment for anyone to become a better public speaker and communicator.
We meet on the 1st, 3rd and 5th Wednesday of the month at 7.00pm at the Camboon Primary School Library.

Our next meeting is tonight. Feel free to come along and visit. Contact John on 0432 507 929 or Nola on 0416 215 572 for more information or visit

YMCA Morley is now taking enrolments for After School Care. We accept Kindy children (who have already turned 4) up to year 7 children. We offer a varied and exciting program based on the children’s interests. We also provide a nutritious afternoon snack to help revitalise the children for the afternoon. All our staff have current WWC checks and an understanding of each child’s individual needs and levels of development. We provide a pick up service from your school and are open until 6pm. Childcare rebate is available. Please contact Cheryl on 0403347944 for more information or to receive an enrolment pack.

CONQUER CANCER
Would you ride 200 km’s on a bike? One of our school’s parents is, and for a great cause too! ‘Ride to conquer cancer’ benefits the Western Australian Institute for Medical Research. To support, please donate in the tin at the uniform shop / canteen or by going to www.conquercancer.org.au, click on Perth and the rider is Lincoln Hefferen. Any donations will be greatly appreciated for this worthy cause.

P&C Easter Raffle
Thanks to all those students, parents and teachers who have already dropped off their raffle tickets and Easter egg donations but we are still hoping for plenty more!
Remember, the more eggs, gifts and baskets we receive, the more prizes we will have! All raffle tickets (sold and unsold) and money need to be dropped off to the Canteen by next Tuesday 26 March. For those families who are keen, we have extra books available from the Canteen.

We are also looking for some helpers to come and wrap the raffle prizes next Wednesday 27 March at 9.00am in the Parent’s room. If you have some time free, please come along. We look forward to seeing you there!
**Netball for all**
