Roof Replacement Program
Unfortunately there have been some issues with this program over the last few weeks which have caused delays in its implementation. The Architects and the builders are working through these and it is hoped that in the next few days we will have a definite timeline for completion of Cluster 3. Once this is complete, work on Cluster 1 will commence. It is expected that the time line for Cluster 1 will be very short as most of the prep work has already been done.

NAPLAN Testing
Testing in literacy and numeracy for Yr 3, 5 & 7 students was completed last week and test papers have been sent for marking. Results are usually sent to us at the end of Term 3 or the beginning of Term 4.

Reading Books
Access to our range of reading resources should improve very soon with the completion of the re roofing of Cluster 3. At the time we move classes back into Cluster 3 we will also be tidying and accounting for the reading books and resources. To make this process as expedient as possible could families please check at home for Camboon PS books that have not been returned over the last 12 months? These can be returned to the library or to any classroom teacher with many thanks and no questions asked!

Please note that one form per student is required. Please take particular note of:
- Telephone numbers: your home / work / mobile and emergency contacts
- Your address
- Custody and access information. The office will require written legal documentation for our records
- Medical conditions (A separate form may be required for this)

Weekly Fathering Tips
Connect over shared interests: Your weekly fathering tip
I always try to take my teenage daughter to her sporting activities because it gives me about twenty minutes to talk with her, otherwise we don’t get a chance to talk. That twenty minutes in the car gives me a good chance to laugh with her and talk about inane things. -Anonymous, Sportsman
Talk with your child about the activities they love. Connect over shared interests.
Tell your child a bit about your day as well. Share any funny moments. Your child will enjoy hearing that you are not perfect!
Regular time together, talking, will only make your relationship stronger
