Building Update

Yesterday we were able to move our senior classes back into Cluster 3. We had several removalists reinstate our classrooms and thanks goes to the teachers and students for re-organising themselves in relation to this. The re-roofing of Cluster 3 will continue to replace the facias around the building. We hope to have this part of the re-roofing program completed within the next two weeks. Re-roofing of Cluster 1 will not happen until the end of this term with the bulk of the work being completed during the July school holidays.

Constable Care Visit

Our friends Kim and Jon, along with their friends from Constable Care, presented two excellent plays last Wednesday 22 May. Our Pre Primary—Year 3 students were entertained with a puppet play “You Have the Right to Feel Safe” and our Year 4–7 students saw a new play “Catch” dealing with tolerance. The students enjoyed the performances. Here are some photos from the day.

Interschool Sport

Interschool Sport this Friday 31 May is against Noranda Primary School at Camboon Primary School, however netball will most likely be played on the Noranda blue courts in Garson Court. All games start at 1.30pm and finish at 2.30pm. Good luck Camboon PS!

Little Athletics

Next Wednesday 5 June the Little Athletics Primary School program will run clinics for our Phys Ed classes and some senior classes, including sprints and jumps training.

School Website

Our office staff have recently had training in website administration and will now be able to update our website more regularly. More additions will be available on the site and will make communication and administration easier for our community. Please visit the site to make yourself familiar with what is on offer: camboonprimaryschool.wa.edu.au

Parking

I have sent a letter to the City of Bayswater requesting further changes to the parking arrangements around the school and to express my concern re parents not parking according to the signage being displayed. This is mostly on Forder Rd near the Kindergarten/Pre Primary area and at the front of the school. I am sure when they receive this letter they will have Rangers patrolling over the coming weeks. Parents are also requested not to use the staff carpark as a pick up and drop off area for students. These requests are to ensure the safety of all pedestrians around the school.
Boys in Education
Ian Lillico is well known for his work on “Boys in Education”. Camboon Primary School staff, including both teachers and Education Assistants have engaged Ian Lillico to present information and ideas based on research in the areas of engaging all students in their learning. This will complement work commenced last year in this area. There will be two after school presentations, one this term and one next term. We have invited staff from Noranda Primary School to attend these sessions and will be pleased to share this opportunity with one of our network schools.

What Dads Need;
- It is never too late to overcome any internal resistance to learning about fathering & changing;
- Accept that it is harder to be a good dad today for many reasons - it does take time & sacrifice;
- Don’t postpone making changes - you might regret it. Time doesn’t stand still.
