### Cluster 1 Moving Back

At long last classes from cluster one will be moving back to their own classrooms. This will occur on Friday and will, as was the case when they moved out, be largely completed before the students arrive on Friday morning by removalists and staff. At this stage we hope to have the rest of the school completed over the Christmas vacation break.

Next week the parent room will resume its function, so School Banking will be conducted there on Wednesday and parents with toddlers and babies able to use the room throughout the week.

### Mobile Phone Policy Reminder

Our mobile phones policy not only applies to mobile phones but also other electronic devices such as cameras, iPods and student owned iPads. The following Policy/Guideline exists for our school:

**Mobile phones are increasingly prevalent in schools and many students carry them during the day. While parents provide mobile phones to their children for safety and other reasons, it is necessary that staff and students not be disrupted by mobile phones in classrooms. Students are required to switch their phones off before handing it to the classroom teacher who will store them in a safe and secure place for the day. The phone will be returned to the students at the end of the day.**

We thank all parents and students for their cooperation with this.

### Health Information

As the weather begins to cool down we often begin to notice an increase in coughs, colds and flu. If your child is unwell prior to the school day, please endeavour to keep them home to rest and get better rather than send them to school. This not only allows your child time to recuperate but also ensures that germs are not spread to others.

We have recently had word that Whooping Cough is again in our community. Whooping Cough is a highly contagious, acute, respiratory, bacterial infection. It is spread via droplets, is airborne and can be contaminated with direct contact with contaminated nose or throat secretions. The infectious period is from the onset of a runny nose to 21 days after the onset of cough. Exclusion from school is for 14 days from the onset of the cough or for 5 days after starting antibiotic treatment.

It is useful to advise the school if your child has suspected whooping cough so that we can be aware and advise other parents should symptoms be similar.

### Cybersmart Workshops—THURSDAY 12 SEPTEMBER

These workshops have been organised by the Australian Communication and Media Authority. They will provide internet safety awareness for parents, teachers and students. Presentations provide valuable information about the risks confronting children online, and offer tools and tips to help make their internet experiences safe and positive.

Internet safe presentations cover topics including:

- The ways children use the internet and emerging technologies
- Potential risks for children online, such as cyber bullying, illegal content, inappropriate contact, identity theft, grooming and predatory activity.
- Tips to help children stay safe online.

The presentations are thorough, non-technical and are conducted by an accredited cybersmart trainer. There will be no cost for these presentations to students or parents.

- Student Presentations Yrs 5-7: 11am-3pm (Library)
- Staff Presentation: 3:15-4:30pm (Library)
- Parent Presentation: 7pm-8:30pm (Library)

School Photographs
This year our school photographs will be taken by Midland Photographers as follows:
Whole School Except Kindy B Wed 4 September
Kindy B Only Wed 11 September

Each student brought home an envelope to order photos last week. Please complete the order form envelopes and return, with correct money or credit card details, by Thursday 29 August. Late orders will not be accepted.

Please note one envelope is required for each child. If you have misplaced your envelope, there are more available from the school office. Should you wish to pay for all of your children together, please place your payment in your eldest child’s envelope and staple all envelopes together. Then send to your eldest child’s classroom teacher.

Family portraits will either be taken before school or after individual and group photos around lunch time on Wednesday 4 September.

Are you leaving? Please advise us if your child/ren are leaving during or at the end of the 2013 school year and return the slip below to the school office as soon as possible. This helps us to organise classes accurately for 2014. Thank you.

Hey everyone, I am still looking for chess and checker sets to be donated to the school. If you can help out that would be great. Also, don’t hesitate to contact me to see if I can help in any way. My email is phill@youthcare.org.au or call the office when I am here Wednesday to Friday on 9276 5832 to speak to me.

What girls need from their dads;
Girls need to hear how worthwhile and beautiful they are - not ‘pretty’, but ‘beautiful’
This will include outer beauty (looks, smile, laughter, eyes, clothing etc) It will also include inner beauty (kindness, friendliness, fairness, curiosity, honesty etc) Help girls to think through manipulative TV and magazine advertising about female looks, behaviour and sexuality.

P&C News
Faction Sports Carnival—Wednesday 11 September
The P&C will be running a sausage sizzle on the day of the sports carnival and we would love some volunteers to give us a hand. If you are free for an hour or so on Carnival day—Wednesday 11 September please let either Nuala or Kayla in the Canteen know.

We also love to have a range of morning tea items for sale on Carnival day. For those who love to bake, please feel free to bring along delicious goodies.
Please note that smaller items like cupcakes and slices are easier to sell.

CAMBOON PRIMARY SCHOOL REUNION 1971—1977
For students who attended Camboon Primary School as a year 1 in 1971 through to year 7 in 1977 a reunion will be held at the Noranda Recreation Club on SATURDAY 12 OCTOBER at 7.00pm. Please contact Michael Pallotta on 0409 957 599 or email potsie1965@hotmail.com for further information.

One of our graduated students, Caitlyn H. is performing in a production of Cinderella at the Marloo Theatre in Greenmount. Please see the school notice board for further information.
