**Wednesday 4 September**
- P&C Uniform Shop Open 8.40am—9.30am
- Student Banking Open 8.30am—9.00am (Parents Room)
- WHOLE SCHOOL PHOTOS EXCEPT KINDY B

**School Facilities Upgrade**

Over the past few years we have been able to make some significant improvements to the school facilities and this continues:  
**Re-Roofing:** The first phase of the re-roofing program is nearing completion as the students in Cluster One have moved back into their classrooms. There is still some ‘outside’ work to be completed which will take about two weeks. It is the intention for the rest of the school re-roofing to be completed mainly over the Christmas holidays, however, there will still be some disruption into the new year.

**School Oval:** Approximately $250,000 will be spent on upgrading the school oval. This will include removing existing lawn, laying of reticulation and returfing with roll out lawn. This will be completed towards the end of Term Four and over the Christmas holidays with the intention of being ready for the new year. This will make a significant difference to the playing surface for our students (with Dave, our gardener, being very happy not to be carting the reticulation pipes up and down the oval any more!!!)

**School Photos**

This year our school photographs will be taken by Midland Photographers as follows:

- **Whole School Except Kindy B** Wed 4 September  
  Kindy B Only Wed 11 September (11am)  
  Each student brought home an envelope to order photos two weeks ago. Please complete the order form envelopes and return, with correct money or credit card details, by **tomorrow Thursday 29 August**. Late orders will **not** be accepted. **Please note one envelope is required for each child.** If you have misplaced your envelope, there are more available from the school office. Should you wish to pay for all of your children together, please place your payment in your eldest child’s envelope and staple all envelopes together. Then send to your eldest child’s classroom teacher. A timetable for the day is represented below. Please note that these times are only approximate.

**Cybersmart Workshops THURSDAY 12 SEPTEMBER**

We strongly advise that parents attend a Cybersmart presentation offered by the Australian Media Authority. Presentations will provide valuable information about the risks confronting children online, and offer tools and tips to help make their internet experiences safe and positive. Internet safe presentations cover topics such as:

- The ways children use the internet and emerging technologies
- Potential risks for children online, such as cyber bullying, illegal content, inappropriate contact, identity theft, grooming and predatory activity
- Tips to help children stay safe online

The presentations are thorough, non-technical and are conducted by an accredited cybersmart trainer. There will be no cost for these presentations to parents. Staff and Year 5-7 students will also attend presentations during the day. The Parent presentation will be between 7.00 and 8.30pm in the library.

These free sessions reflect our school Business Plan’s focus on pastoral care. Our pastoral care plan is to develop resiliency and uses an anti bullying program through SDERA (School Drug Education and Road Awareness) and CHAT (Changing Health and Acting Together).

**Cybersmart Presentation by the Australian Media Authority**

**Presentations**
- Room 1 1:15pm
- Room 2 1:30pm
- Room 3 1:45pm

AFTER-SCHOOL MATHEMATICS FOR
ABLE AND GIFTED SCHOOL STUDENTS

Dr Nathan (Norm) Hoffman created the highly successful Mathematics Problem Solving Program that has catered for the needs of more than 2500 mathematically able students over the past 22 years. This has been rebadged as The Western Australian Mathematics Problem Solving Program (WAMPSP). It now operates at Perth Modern School in Subiaco. The program will be offered again in 2014.

The program is year-long. It gives students the opportunity to tackle challenging mathematical problems, and to extend their range of problem-solving skills and strategies. It also develops their skills in presenting solutions.

In 2014 there will be classes at five levels:
Primary: For students in Year 6 (Fortnightly: Thu)
Junior: For students in Year 7 (Fortnightly: Thu)
Secondary: For students in Year 8—10 (Weekly)

All of the above details and further information are given on the website:
www.wampsp.com

The program is of interest to able students and their parents. Copies of the problems are available from the website. The solutions should be posted to me, at the address given on the website. The solutions should clearly state the student’s name, address, home telephone number, current school and current year-level. The solutions should reach me by 27 September, 2013.

Dr Nathan (Norm) Hoffman

Information regarding the following is displayed on the school noticeboard-
• Bubble Dome Minecraft October Holiday Courses
• Tee-Ball Have a go day
• Ern Halliday Holiday Program

P&C News

Faction Sports Carnival—Wednesday 11 September
The P&C will be running a sausage sizzle on the day of the sports carnival and we would love some volunteers to give us a hand. If you are free for an hour or so on Carnival day—Wednesday 11 September please let either Nuala or Kayla in the Canteen know.

We also love to have a range of morning tea items for sale on Carnival day. For those who love to bake, please feel free to bring along delicious goodies. Please note that smaller items like cupcakes and slices are easier to sell.

CAMBOON PRIMARY SCHOOL REUNION 1971—1977
For students who attended Camboon Primary School as a Year 1 in 1971 through to Year 7 in 1977 a reunion will be held at the Noranda Recreation Club on SATURDAY 12 OCTOBER at 7.00pm. Please contact Michael Pallotta on 0409 957 599 or email potsie1965@hotmail.com for further information.
