Community Survey
Early next week a number of randomly selected families will receive a letter indicating a request to complete a school survey. These families will be able to complete the survey online, details of this will be included in the letter. Of the 292 families at the school approximately 100 will be sent the survey. This survey forms an important part of our review of Camboon Primary School’s performance over the last few years. The information gained from this and other surveys conducted this year, will assist the school in its planning and direction over the next planning cycle. The survey questions are structured in such a way so as to give us information on the following key areas:
• School Environment
• Quality Teaching
• Communication
• Curriculum Outcomes and Responsiveness
• Working Relationships
Most schools have a good idea of what some of their parents, students and staff think about them but probably don’t know how representative these views are. This survey will help in this regard. It will also canvas a balanced range of issues so that the school can gain feedback about most facets of its operation.

CyberSmart Presentation
The Parent Presentation will be held tomorrow night. Please seriously consider attending this very informative session. The session will commence at 7pm and finish around 8:30pm. Please RSVP to the school or you can turn up on the night. The presentation is free. The student and staff day sessions have been postponed until October 22nd.

Board Meeting
Our School Board will meet on Monday for the second time this term. Agenda items will include:
• State Governments School Funding Model
• Homework Policy Research
• Community Survey

• Contributions and Charges for 2014

Parents and family members are invited to join us for the School Open Night on Wednesday 18th September commencing at 5:30pm with classrooms being open until 7:00pm. The Choir will perform to finish our night at 6:45pm in the Undercover Area.

Open Night is an opportunity for your child to show you the work they have completed this year. Teachers will not be available for formal interviews on this evening, however parents are invited to make a mutually convenient time to see their child’s teacher should they wish to do so.
