Cybersmart Presentation
Thank you to the twenty one parents who attended this session last Thursday night. The presentation started at 7pm and finished around 8:45. The presenter, Kerry Jarvis, was excellent and was able to talk about the benefits of technology, but at the same time, ensuring children are guided. Ms Jarvis also talked about the parents role in this area. The following analogy that she used summed up her presentation:

As parents we have a responsibility to ensure no harm comes to our children. When we teach our children to ride a bike we hold the bike, we walk with them, we let go and then we ride with them. When we think they are ready we allow them onto the road, but still monitor them and then when we are confident that they have the necessary skills and knowledge we let them ride alone.

Yet with technology we buy them the best technology, iPhones, iPads etc and they are allowed to go into their rooms to surf the internet with little monitoring or guidance. Parents do have a responsibility to be involved in the technology and guide their children. The child has a responsibility also and so does the school. There will be two more sessions next term for the students and staff to learn more about these responsibilities.

There are a lot of helpful resources and tips on the Cybersmart website below:

Open Night is an opportunity for your child to show you the work they have completed this year. Teachers will not be available for formal interviews on this evening, however parents are invited to make a mutually convenient time to see their child’s teacher should they wish to do so.

Parents please note that there will not be a sausage sizzle at the Open Night.

School Arrangements for Industrial Action
For Thursday 19th September

The state School Teachers’ Union, CPSU/CSA and United Voice have directed their members to undertake a half day stop work rally tomorrow from 9:30am to 11:30am. Regular lessons will recommence after lunch.

Due to the possibility of a large number of students not attending tomorrow the P&C have closed the Canteen. The Canteen will reopen on Friday.

Students who do attend tomorrow:

- Kindergarten and Pre Primary students to go to
  - Pre- Primary 1 room
- Years 1-7 students to meet in the covered assembly area at 8:50am (when the siren sounds).
