• Research findings regarding homework: The development of a set of ‘homework principles’ for Camboon Primary School that are based on reputable research findings.

Excursion
Year 2 students from Room 3 and 4 enjoyed an excursion to Spare Parts Puppets in Fremantle on Monday. Their behaviour and participation was exemplary. Thank you to Noranda Shopping Village for supplying water bottles for all the students and to the Hawaiian Group who gave the children the opportunity to attend the performance.

Open Night
Congratulations to the school community who supported the students at Open Night last week. The weather did not discourage families from attending and sharing their children’s learning. Well done to the choir, led by Ms Bourke, for the performance which concluded the evening. We were all very proud of the work the students and staff had on display. Thank you to those parents who gave lots of positive feedback on the night.

CAMBOON PRIMARY STUDENT LEAVER(S) (DURING OR AT THE END OF THE 2013 SCHOOL YEAR)

This term has been a time of developing relationship with the students, staff and parents and while there is lots more to do it has been a great time of connection. I have had the opportunity to assist many students, parents and staff in whatever way I can and this has been very rewarding. Next term promises to see that connection develop at an accelerated pace.
Just a reminder that every Friday lunch time in the Library any students wanting to learn or play Chess or Checkers with me are more than welcome. This is a fun way to connect so let your children know this is available. Stay tuned to hear of more things next term. Have a great break and see you all in Term 4.
