Music Count-Us-In
MCUI is Australia’s biggest school initiative. With support from The Australian Government, it has run since 2007 and is all about celebrating the value of music education to students’ development, whoever they are, wherever they are. It involves more than 600,000 students, teachers - and often parents – from schools all over Australia who sign up to learn, rehearse, then perform the same song, on the same day, at the same time. Our school will be participating in this event tomorrow. Our assembly will commence at 9am with a number of students performing and performances by the Choir. The song that will be sung all over Australia will be performed at 9:30am. Parents are welcome to attend.

Students Leaving notice
We are looking in detail at placing students into classes for 2014 and to do so accurately, we require information urgently if you know your child/ren will not be attending Camboon PS next year. This does not include students who are leaving Year 7 to go to high school but does include those students leaving Year 6 to go to another school for Year 7. If you know your child/ren will not be attending Camboon PS next year, please complete the tear-off slip at the bottom of this newsletter and return it to the school’s front office as soon as possible.

Class Requests 2014
Parents who wish to request specific class placement for their child in 2014 may do so in writing. Reasons for request’s need to be based on educational grounds. The school will endeavour to meet these requests where possible, however, there can be no guarantees that this will occur. Please address your requests to the Principal.
