Supporting the Little Angels Needy Children & Orphan Project.

The Little Angel Needy Children & Orphans need your support because there is:

- A growing number of orphans largely caused by AIDS
- A growing number of street children largely caused by poverty
- Increased levels of immoral and disorderly behaviour largely caused by lack of moral guidance during childhood and associated high mortality rate a high incidence HIV / AIDS
- A reduced attendance in school largely caused by poverty

There are 3 ways you can help out the Little Angels Needy Children & Orphan Project:

Option 1:
With $50 USD a month you can sponsor a needy child, for more information about sponsoring please email sponsor@littleangelsganda.org

Option 2:
Make a donation via the donation page on our website www.littleangelsganda.org

Option 3:
Make a donation directly to the Little Angels Needy Children & Orphan Project.

Please transfer the funds to:

Account Name: Little Angels Needy Children & Orphan Project
Bank Name: Crane Bank Ltd, Kabale Branch
Account No.: 0142018318700
Bank Code: 30004
Swift Code: CRAWUGKXXX
Beneficiary Name: Little Angels Project
Beneficiary Address: Little Angels Needy Children & Orphan Project P.O. Box 731, Kabale - Uganda

All donations made to the Little Angels Needy Children & Orphan Project are registered on receipt. Donations made are logged and registered and where practical, provide a description of how the money has been applied.

Some people will prefer to make donations directly to the project because they can be sure that the money goes directly to the project. A large variety of goods are required by the project however financial donation are also used to purchase food items to reduce the incidence of under-nutrition conditions. Costs and units are included to show the cost and requirements of the project for each period. This can be compared to the income of the project to help you understand how badly the project needs your support.

All endeavours will be made to maintain the disclosure log however computer and internet access is very limited in Butula and at times when many donations are being made, management of the disclosure log may be beyond the means of the project. Computer and internet access is also relatively expensive and the project director may deem that the money is better spent on the children than on computer and internet access.

Please post all item donations to:
Little Angels Needy Children & Orphan Project P.O. Box 731, Lake Banyonyi, Kabale, Uganda

Or email Little Angels on:
duncan@littleangelsganda.org

SEE OVER FOR A LIST OF ITEMS YOU CAN DONATE MONEY TO.
Dear Students and Parents,

This year at Camboon Primary School we are lucky enough to have the unique opportunity to communicate with and offer our support to an amazing group of children at Little Angels Orphanage, Uganda.

Miss O’Connor from Room 8 was very privileged to visit this special place in her travels through Africa this time last year and has set up a number of contacts within the project. She has been able to offer sponsorship to a lovely young student from the orphanage, but plenty more need our help.

Our goal within our school community is to implement a clothing drive, where students and families bring in any un-needed clothing that could be sent over for use by these gorgeous children.

Children at the orphanage receive education from some fantastic teaching volunteers and work hard in all subject areas, particularly English. Sponsorship of one of the students can most easily be arranged where you will be able to write letters to, skype with and receive regular email updates about the progress of your sponsored child.

Any clothing and footwear that you would typically consider for children here in Australia is of great value to the needy children. The children are of all ages between 0 and 15 and so any clothing of an appropriate size and quality will be suitable. Sheets or spare linen would also be much appreciated; this will help particularly with the cooler conditions of this mountainous region of Uganda.

The clothing, footwear and personal hygiene items that are most needed and in demand are listed below:

- Sheets
- Blankets
- Skirts
- T-shirts
- Jumpers
- Shirts
- Shoes
- Scarves
- Gloves
- Stockings
- Socks
- Toothpaste
- Skin care/lotion

Our school will collect and sort all donations ready to send across to Uganda. We will then conduct an out-of-uniform day with gold coin donation to raise additional funds for postage and other needed items.

Feel free to check out the following website for more information on ways you can donate to Little Angels Needy Children: www.littleangelsuganda.org

Thank-you for your support!
