Welcome Back to Term 2
This term the students will be involved in quite a number of activities across the school. It is also our NAPLAN Testing term which will commence in Week 3 and involve our Year 3, 5 and 7 students.

Our winter interschool sports competition will also commence on Friday 9th May with our school hosting the games on our site. These games will involve football, netball and basketball. Our senior students will be involved in these events.

Today also saw the commencement of our annual Edudance sessions with a number of very excited students taking their first lesson. We look forward to seeing the end of term concert and the improvement the students make.

We also welcome Ms Jessica Bettella who will be working with our Year 1/2 students. Ms Bettella is replacing Miss Stinson in Room 3.

Mrs Gwyn Williams will also be working in Room 15 (Yr 6/7) on Mondays, tandem teaching with Mr Scott until the end of the year.

Cybersmart Information for Parents
New research released by Cybersmart has found that 78% of children and young people would turn to their parents first as a source of online safety information. Chatterbox is an online discussion forum for parents that will equip them to approach online safety issues with confidence and increase their understanding of children’s online experiences. It is like a conversation parents may have around the dinner table with friends about online safety issues. Chatterbox episodes will be released regularly throughout 2014. Each episode begins with a short introductory video to familiarise parents with the topic, followed by the Chatterbox audio episode, each of which runs for approximately 10 minutes. Parents are then encouraged to submit questions, share stories and advice with each other in our virtual discussion forum.

The informal and interactive nature of Chatterbox will provide parents with a fresh and jargon-free perspective on cybersafety issues. Chatterbox conversations can be downloaded and accessed at home or on a mobile device.

Each chat episode provides parents with targeted steps to help minimise potential challenges and maximise the benefits of online use.

To access Chatterbox or for more information about Cybersmart, visit www.cybersmart.gov.au

ANZAC Assembly
The ANZAC assembly this year will be conducted in the old undercover area commencing at 9am on Friday 2 May. This assembly is for Year 1—7 students and their families. At the assembly we will be joined by the Ms Alannah MacTiernan, M.P. and Mr Ian Britza, MLA.

Floral wreaths are being put together by students and staff from each cluster. We would appreciate donations of flowers and greenery on Thursday morning or afternoon.

Students who belong to Scouts or Guides are invited to wear their uniforms to school for the Assembly.

Parents and visitors are invited to morning tea in the library at the completion of the Assembly.

Nut policy
Due to the increasing number of students developing severe life threatening nut allergies we request that students do not bring foods to school that include peanuts, peanut paste/butter, Nutella and any other items containing nuts. Food labelled ‘may contain traces of nuts’ are acceptable. In addition, there are students with other particular allergies. Class members of these students are informed at the beginning of the year.
Blog
For those wishing to follow Miss Stinson’s adventures in France her blog address is http://goodmorningmissstinson.blogspot.com.au/

Term 2 Planner
The term 2 planner is attached to today’s newsletter

P&G NEWS

Canteen
Our suppliers at Mrs Macs are no longer producing mini potato top pies, so the winter lunch special will now include a good eating snack pie instead. The potato gems and the bottled water will remain the same.

The mad slushies will be available this term until stock runs out.

Uniform Shop
Just a reminder to parents that the uniform shop price rise will take effect from Wednesday 14 May. We are happy for parents to come in and order any stock at the old prices until then. A new uniform shop price list will go home with next week’s newsletter.

P&C Meeting
The next P&C Meeting will be held on Thursday 8 May in the parents room from 2.00pm to 3.00pm. We look forward to seeing you there.
