The School Board met on Monday afternoon to discuss a number of items which included:
- The new State Government Student Centred Funding Model.
- The upcoming Independent School Review process.
- Approval of the Contribution and Charges for 2015
- Updating the schools Behaviour Management Plan.

The School Board will be holding its annual Open Meeting on Tuesday 16 September.

Staffing
On Monday Mrs Hall made a major announcement to the staff and the School Board. Mrs Hall will be taking Long Service Leave in fourth term and following this, in December, will retire. Mrs Hall is an outstanding educator who has focussed tirelessly on enhancing the lives of children at Camboon Primary School. We will be holding a retirement function before the end of the year to celebrate Mrs Hall’s contribution to not only Camboon Primary School but education in general.

Independent School Review
Our school is completing its third year as an Independent Public School. All IPS schools are reviewed by reviewers sourced through the Department of Education. The purpose of the review is not only to make judgement on the level of performance a school is attaining but to look at the processes within the school and how the school operates, to ensure continual improvement.

The reviewers will be on the school site this Monday 18 August (am) and on Monday and Tuesday 25 and 26 August. They will hold meetings not only with the Executive Team at the school but also with the School Board, P&C and parent representatives, teacher leaders, Student Council as well as undertaking classroom visits and informal chats with staff and parents.

Wear your PJ’s to school - Fundraising Day
Room 8 have been collecting clothes and other items over the past few weeks to support the Little Angels Orphans Project. Thank you to all of our Camboon PS families who have donated clothes, blankets and personal hygiene products to go towards this worthy cause. Our Student Councillors have decided that we will have a fundraiser to further support this charity. Students are invited to wear their pyjamas to school on Friday 22 August. Students are asked to bring along a gold coin donation which will go to the Little Angels Orphanage. We hope everyone will support this event and thank you to Miss O’Connor and the students from Room 8 for their coordination.

Science Week
Next week is Science Week and there will be a variety of special events here at school to celebrate. There will be poster competitions, a quiz and some exciting hands-on Science investigations for all of our students. The Year 6 and 7 Science iQ teams will also be involved in the next round of this online competition.

Special congratulations to a student who received an Honour Certificate at one of our assemblies and was left off the list of awards in the school newsletter-

Everyday Conversations are a Treasure
“I don’t know how you really felt, but I love the chats you and I would have when you would be driving me somewhere. I’ll never forget the “deep and meaningful” conversations we would have and I’ll always treasure them.” Eulogy by Melissa Beale, delivered at her father’s funeral. (Quote from the Fathering Project).
Even regular, everyday conversations are a treasure. Simple times together can be some of the most meaningful.
