**School Open Night—Classroom Theme Resiliency and Drug Education**

Parents and family members are invited to join us for the School Open Night tonight **WEDNESDAY 17 SEPTEMBER** commencing at 5:30pm with classrooms being open until 7:00pm. The Choir will perform to finish our night at 6:45pm in the Undercover Area.

Open Night is an opportunity for your child to show you the work they have completed this year. The main theme of the evening will be Resiliency and Drug Education which forms part of all CHAT (Changing Health Acting Together) programs.

Parents please note there will be a P&C sausage sizzle on the Open Night between 5.30pm and 6.30pm.

**New Associate Principal**

As you are aware, Mrs Hall will be going on Long Service Leave next term. Mrs Hall will also be retiring in December. As this is the case, we have held a selection process to appoint a new Associate Principal commencing in 2015. The school received a very large number of applications and it must be said that these were of an extremely high standard. Interviews were conducted last week and I am very pleased to announce that Mrs Tanya Dique was appointed to the position (subject to the successful conclusion of the appeal process). Mrs Dique is currently a Deputy Principal at Atwell Primary School and brings with her a wealth of skills and knowledge to the position. We are very excited to have Mrs Dique as a part of our team. The school will appoint an Acting Associate Principal for 4th term from within the teaching staff. The successful applicant will be announced next week.

**School Photographs**

School Photographs have now all been taken. Any late individual or class photo orders must be returned (order forms and correct money) to the school office no later than **9.00am this FRIDAY 19 SEPTEMBER**. Any orders after this must be directed to Midland Photographers on 9274 4767. We expect delivery of photos in 6 to 8 weeks.

**School Board Open Meeting**

Our School Board met yesterday for the second time this term. Personal Item Lists for 2015, Suppliers and quotes for this were discussed. The Board decided to continue with last year’s suppliers, Campions. This decision was made taking account of the quality of the product, service given by the provider and positive feedback received from parents. The Board also endorsed the draft Complaints Management Policy which will be available on the school’s web site shortly. The Board also discussed some major events coming up next term:

- The new National School Community Survey
- School Board Elections 2015-2017

**Are you leaving?**

Please advise us if your child/ren in Kindy to Yr 5 are leaving during, or at the end of, the 2014 school year by returning the slip overleaf to the school office as soon as possible. Alternately you can email the school at camboonprimaryschool.wa.edu.au

**WATERWISE TIPS**

- Prevent litter from entering the drainage system. Polluted stormwater kills aquatic life, as well as looking ugly.
- Encourage children to wash their hands after going to the toilet, after handling animals or pets, and before eating or preparing food, in order to remove harmful micro-organisms.
