School Review
School reviewers from the Department of Education Services attended the school on Monday. As you are aware all Independent Public Schools undertake a review process in their final year of the Business Plan cycle. The reviewers met with the executive team and school leaders to discuss the implementation, monitoring and analysis of the school programs over this period. Thank you to Mrs Filomena Piffaretti and Mrs Katie Adrigan Hondros for representing the Board at this meeting.

The reviewers will be back next Monday and Tuesday to complete their review. This will involve further meetings, visits to classrooms and may also involve randomly discussing the school with other staff and parents.

Wear your PJ’s to school - Fundraising Day
Room 8 have been collecting clothes and other items over the past few weeks to support the Little Angels Orphans Project. Thank you to all of our Camboon PS families who have donated clothes, blankets and personal hygiene products to go towards this worthy cause. Our Student Councillors have decided that we will have a fundraiser to further support this charity, as we need to fund the transport of the donations. Students are invited to wear their pyjamas to school this Friday 22 August. Students are asked to bring along a gold coin donation which will go to the Little Angels Orphanage. We hope everyone will support this event and thank you to Miss O’Connor and the students from Room 8 for their coordination.

Asthma Australia
Today staff members will attend a professional learning opportunity provided by Asthma Australia.

Parents/carers can assist us to care for children who suffer from asthma by:

• Providing an Asthma Care Plan, signed by the treating doctor.
• Provide their child’s medication, clearly dated and in the original labelled container. A spacer, and mask as required, should also be supplied.
• Alert staff to any changes in their child’s asthma management.

Incursion
On Tuesday the Year 3-7 classes attended a Water Corporation incursion to learn more about water sustainability. It was a fun day with lots of hands on activities that encouraged all the students to think about the future of our precious water resource.
FACTION SPORTS CARNIVAL SAUSAGE SIZZLE

Camboon P&C Fundraising—Enjo

It’s that time of year again when we hold our ENJO Bamboo T-towel Fundraiser. ENJO Bamboo t-towels make doing the dishes a breeze! They are made from bamboo & cotton which are softer, greener and more absorbent than any other t-towel. There are 4 colours to choose from - Blue, Yellow, Red and Grey. So Mum’s & Dad’s spread the word to all your friends, neighbours and work colleagues and help raise much needed funds for our wonderful school. $12 per t-towel. Money and order forms are due back to the canteen by Tuesday 16th September in time for a delivery before the end of term. Extra order forms are available either from the school office or canteen.

SCITECH

An evening full of fun. Come and join us at SCITECH on Friday 12th September from 5:30-8:30pm. Don’t forget to pre-order your tickets. You can even pre-order your dinner or if you prefer bring your own. Please return the order form (distributed last week) with correct money either to the Canteen or School Office (P&C Drop off Box) by Monday 1 September. There will be 3 door prizes to be WON! Looking forward to seeing our students, parents and teaching staff. Share the fun at Scitech.

P&C COMMUNITY FAIR

Glass Jars

We are requesting students to bring in glass jars clean with labels removed such as vegemite, cream cheese, pasta bake etc. Doesn’t matter how small or big they are. They can be handed into the canteen.

Recipes

On the day of the Community Fair, our school will launch a Harmony Cook Book by Camboon Primary School. We would like students to bring in their favourite recipe and if you do have a picture or photo please attach it to the recipe. Write your name, year and if it’s an entrée, savoury, sweet, main dish on the back of your recipe. You can drop it off at the canteen or at the front office -(P&C Drop off Box).

WATERWISE TIPS

• Look after our rivers and wetlands by preventing nutrients and organic matter entering our waterways.

• Follow the label directions closely when using garden chemicals and fertilisers. If these materials are overused, they may wash into drains, enter our rivers and cause outbreaks of blue-green algae.
