Retirement

Today the staff had a morning tea function to wish our Business Manager, Mrs Pam Hackett, a wonderful and well earned retirement. Mrs Hackett has been working with the Education Department for the past 17 years as Registrar at North Perth Primary School and Business Manager at Camboon Primary School since 2007. Mrs Hackett has lots of travel planned and we wish her well.

New Funding Changes for Primary School

Details of the new funding model for Government primary schools was announced earlier this week by the State Government. It included proposed individual school allocations released yesterday. The new level of funding for our school is very similar to what was predicted and discussed by the School Board at the end of last year. The allocation was based on figures from the beginning of this year and has provision to be updated as we head closer to 2015.

Health Information

During the winter months we often notice an increase in coughs, colds and flu. If your child is unwell prior to the school day, please endeavour to keep them home to rest and get better rather than send them to school. This not only allows your child time to recuperate but also ensures that germs are not spread to others.
Personal Information

It is important that we have access to up to date and accurate personal information at all times, in particular in case of an emergency. Please advise the school office of any changes to-

- Telephone numbers: your home / work / mobile and emergency contacts
- Your address
- Custody and access information. The office will require written legal documentation for our records.
- Medical conditions (A separate form may be required).

Voluntary Contributions

This is a friendly reminder regarding School Voluntary Contributions for 2014. They can now be paid at the main office. “One on One Time is Important”

With our busy lives these days it is often difficult to spend lots of time one on one with our kids. Try to make time as often as you can. Here are some helpful tips.

Find a way to drop off or pick up your child from school, even if it's only once a week.

Go together for an afternoon tea or a snack.

Use that time to ask how your child is getting along with friends in the playground or if anything is troubling them about school.
