School Survey
Thank you to those parents who have already completed the survey. We sent out 124 surveys to randomly selected families across the school. So far we have received 30. This survey will close this Friday 21 November. Our year 6 students and all staff have also undertaken relevant surveys. This information and feedback will be used to develop our next three year Business Plan 2015—2017.

Swimming Classes
Our Pre Primary to year 5 students commenced their swimming lessons on Monday with minimal fuss. This year our Pre Primary to year five will have their sessions over a two week period and will conclude their lesson at Bayswater waves on Friday 28 November. Our year 6 and 7 students will attend Mullaloo Beach for their double lessons over one week commencing next week. Details are on the back of this newsletter. Please note that children should wear appropriate, easy to change into footwear to school. Thongs should NOT be worn to school, but brought to school to be worn to and from swimming only.

Canteen lunches during swimming lessons—Rooms 2, 8 and 10, Year 6 and 7
Unfortunately children attending Swimming Session 4 (Rooms 2, 8 and 10) and year 6 and 7 students will only be able to order ‘Freshly Prepared Items’ from our ‘Canteen Summer Menu’. This means that NO HOT LUNCHES may be ordered during swimming lessons (Week 6 & 7).

Sandwiches can be prepared and kept in the fridge for when the children are ready to have lunch. If you intend to order lunches from our School Canteen please order sandwiches until the end of swimming lessons Friday 28 November 2014. Parents may wish to make alternate arrangements for lunches for their children during this time.

Thank you for your support.

Meeting with Bayswater Rangers
Last week I met with Councillor Michelle Sutherland and City of Bayswater Rangers to discuss parking around the school. Improvements to the existing situation will be announced before the end of this year so that any work that will need to be carried out will be done over the holidays.

Scholastic Book Club Issues 7
Thank you everyone for your fantastic support with book club during the year. In the last issue of book club there was an order without a name or a room number. If your child has not received their order, please contact me in the school library. Thanks Mrs Louise Clausen.
In Term Swimming Lessons
A reminder that all swimming money and permission notes are now due for year 6 and 7 students. Spare notes are available from the school office. In term swimming lessons are part of our school’s curriculum and as such it is expected that all students attend.

Please refer to swimming notes with information on ‘what to bring’ including information on bathers / footwear etc. It is also recommended that sunscreen be applied at home before school.

Christmas Appeal
This year we will be collecting non-perishable items for the ‘Bayswater Mayor Christmas Food Appeal.’ Families are asked to bring along non-perishable items with 2015/16 use by dates, Christmas foods and treats, ring-pull tinned items, pasta and pasta sauce, tinned tuna, rice, long life milk, tea, coffee, vegemite etc. and toiletry items. Please drop these into the Xmas Appeal bags located in or near each classroom. We will be presenting the food gifts to the Salvation Army at our end of year Christmas Assembly to be held on Friday 12 December.

End of Year Assembly
Our End of Year assembly will be held on Friday 12 December at 9.00am. During this assembly, all students will be performing a song. We will be presenting our Student Leadership team for 2015, drawing our final Endeavour Award winners, announcing the winning Faction for 2014, as well as handing over our collected goods to support the Christmas Food Appeal. All of our school community are welcome to attend this bumper assembly.

Class Requests 2015
Parents who wish to request a specific class placement for their child in 2015 may do so in writing. Reasons for requests need to be based on educational grounds. The school will endeavour to meet these requests where possible, however, there can be no guarantees that this will occur. Please address your requests to the Principal.

Water wise Tips
- If you read your water meter regularly, you will be able to detect any irregularities, such as leaks. This will save both water and money.
- Never drink untreated water. Water-borne diseases include Cholera, Typhoid, Bacillary Dysentery, Polio, Meningitis, Hepatitis A and E and diarrhoea.
