Water Wise Special Assembly
This year our school has been working towards becoming recognised as a Water Wise school through the Water Corporation. We have conducted a series of workshops, lessons and whole school events throughout the year and are pleased to announce that we have been accepted as part of the program. To celebrate this, we have organised a special assembly on Friday 5 December at 9:00am. The assembly will feature an encore performance by our Room 3 students with their assembly item “Surfin’ Safari”. During the assembly, Mr Graham Cargeeg, the General Manager of Metropolitan Customer Services Group for the Water Corporation, will present our school with the official certificates. Our school’s name will also go into the local paper announcing our success. All parents and community members are invited to this exciting event.

Student Councillor Speeches
The Year 4 & 5 students are in the process of nominating to be elected to the Student Council for 2015. Their speeches will take place in the Undercover Area directly after the Water wise Special Assembly. Students in Years 4-7 will listen to the speeches and then vote for the nominated students after the speeches. Parents of the nominated students are welcome to come and listen to the speeches which will begin at approximately 9:20am on Friday 5 December. Parents of successful candidates will be notified on their child’s success prior to the end of year assembly to be held on Friday 12 December where they will awarded their badges.

Parent Surveys
A huge thank you to the selected parents who responded to these. Of the 124 requests the school received 42 responses which is about the average statistic for survey returns generally. A detailed analysis will be provided to the community once this has been done. On a quick overview it seems the community has a very high regard for our school with a very high level of satisfaction being recorded in almost all areas. Very constructive written feedback was also given. This information will now be used to assist us in preparing our new Business Plan and as discussion points at staff meetings and School Board meetings. Surveys were also issued to our Year 6 students and whole staff to seek their views of the school. A similar process will take place with this information once analysed.

Swimming Lessons
These have been running very smoothly and this week saw our year 6 and 7 students take their lessons at Mullaloo Beach. The weather and the beach over the last few days has been nothing short of pristine, however we will need to see what the next few days will bring. Lets hope that the weather isn’t as bad as is forecasted.

Class Requests 2015
This is the final week for parents who wish to request a specific class placement for their child in 2015. These are to be made in writing with reasons for requests to be based on educational grounds. The school will endeavour to meet these requests where possible, however, there can be no guarantees that this will occur. Please address your requests to the Principal by this Friday 28 November 2014.

Choir Performance
The school choir will be performing at the Noranda Christmas Festival on Sunday 30 November. It will be held at Noranda Shopping Village and our performance time will be from 11.05am to 11.20am. It would be great to have the school community there to support us and maybe even join in with some of the songs. Please see the P&C notices regarding the Sausage Sizzle Fundraiser at this festival.

**Parent Helpers**

Camboon P&C will be having a sausage sizzle at the Noranda Shopping Centre Christmas Festival on Sunday 30 November between 11.00am and 3.00pm. We are desperately looking for parent helpers. If you can assist please contact Vesna on 0411 443 939.

**P & C Harmony Cookbook**

The Camboon Primary School P & C is now accepting pre-orders for its much anticipated Harmony Cookbook! With over 70 recipes provided by the Camboon Community, the Harmony Cookbook is a super gift idea just in time for Christmas. Books are $12 each (or $10 each for more than one book per order) and order forms can be dropped off at the P & C ‘drop-off box’ at the front office. All pre-ordered books will be delivered to your preferred classroom by Friday 5 Dec.

**Uniform Shop**

A reminder to parents that all winter stock will be $5 off until the end of this year - that includes zip wind cheaters, jumpers, tracksuit pants and wet weather jackets. Come in and grab a bargain!

**WATERWISE TIPS**

- It is just as important to drink plenty of water in winter as it is in summer. Thirst is an indication that your body has already begun to dehydrate: drink water before you feel thirsty.
- Encourage children to wash their hands after going to the toilet, after handling animals or pets, and before eating or preparing food, in order to remove harmful micro-organisms.

Please contact Stephen Hale—Community School Health Nurse on 0424 754 082 or email Stephen.hale@health.wa.gov.au for further information.

Information regarding the following is displayed on the school notice board-

- Get Active Sports
- Cartoon Camps

Christmas is not far away and there are a lot of people even in this area that are struggling to make ends meet. You can make a difference to the lives of children in this situation by continuing to bring in dry food stuffs for our "Mayor of Bayswater / Salvation Army Food Drive". This is one way we get to give to a worthy cause through a trusted organisation, The Salvo’s!

Thanks for what has been given already but lets keep up and show what a caring and giving community Camboon Primary School is!!
