Magpie Problem

Recently we have had a number of magpies swooping students and parents particularly at the front entrance to the school. This has caused some distress to some parents and students. We have contacted a number of agencies for support with the magpie issue. The Department of Parks and Wildlife will be contacting the school with the view of relocating any of the aggressive birds. This will take some time, however, in the mean time please view the attached newsletter which was downloaded from the Queensland Government website for your interest.

Class Requests 2015

Parents who wish to request a specific class placement for their child in 2015 may do so in writing. Reasons for requests need to be based on educational grounds. The school will endeavour to meet these requests where possible, however, there can be no guarantees that this will occur. Please address your requests to the Principal.

In Term Swimming Lessons

Notes have now been sent home about swimming lessons. Pre Primary to Year 5 students will do their lessons at Bayswater Waves and the Year 6 and 7 students will go to Mullaloo Beach. Dates are as follows:

In Term Swimming lessons are part of our school’s curriculum and as such it is expected that all students attend.

The cost for all students is $45.00 which includes the cost of pool entry and bus for PP-Year 5 and the cost of the bus for Year 6 and 7 students. Please note that if your child misses out on lessons, only the pool entry fee may be refunded on these days. If a payment plan is required, please see our school office to organise.

Water wise Tips
Install a water efficient shower head, which can save about 14,500 litres of water per household per year.
Install a modern dual-flush toilet, which uses only 4.5 or 6 litres for a full flush and 3 litres for a half-flush (single-flush toilets use 11 litres every flush).
Always repair leaking taps. Just one tap left dripping at a drop per second wastes 25 litres of water a day.
