Assembly

What a fantastic start to our year with our first assembly which showcased our talented students and two amazing deputies. There was such a LOVE-ly feeling in the assembly area. I truly LOVE-d my flower! It was yummy.

Challenges

At the assembly I set 3 challenges;

- Students to wear the correct uniform on the correct day and wear hats on their head. I will be giving IROSE awards for this.
- Parents and family members to join the amazing P&C, even if they can't come to meetings. I will be giving prizes for this. Come to our first meeting on *Monday 24 February at 7pm* and get a prize from me!
- Staff to send up every student over the term to show me amazing work and learning. I will be doing teachers' playground duty for this.

PBS (Positive Behaviour Support)

It has been absolutely wonderful to see and hear each class discussing our 3 Camboon PS behaviour expectations;

We are RESPECTFUL.
We are RESPONSIBLE.
We are LEARNERS.

We will provide the school community with more information as we implement PBS through the school. The 3 behaviour expectations relate to all students, staff, families and our whole community. We will be using this language to promote our behaviour expectations. As parents you can also use these words to support PBS.

Thank you all for a wonderful start to 2020.

Janice Cuculoska—Principal

Chess

Unfortunately, due to low enrolment numbers, we will not be able to offer a chess club after school this term. We will advertise it again next term to see if it can run then.

Before School

We recommend that students arrive at school around 8.35 to allow 15 minutes in class to get organised for the day. If students arrive earlier, they should report to the deputy principal (in the undercover area or on the oval), where they will undertake a supervised activity until the handbell is rung at 8.35am. If parents remain with students until 8.35am, they are requested to maintain supervision until students are 'handed-over' to the classroom teachers. We request that students do not arrive at school prior to 8.20am as we cannot guarantee supervision.

Swimming

Swimming is scheduled for Weeks 9 and 10 of this term. Permission notes and payment envelopes have now been sent home. Please submit all money and permission forms by **FRIDAY 20 MARCH 2020**. Please visit the school office if you would like to organise a payment plan.

Following feedback from last year, the decision has been made for students to return to school to get changed at the end of each lesson. This is due to Bayswater Waves not being able to guarantee exclusive use of change rooms and therefore unable to guarantee that members of the general public won't be in the change rooms at the same time as our students.

Year 6 Camp

Expression of interest forms have now been distributed to all Year 6 students. Please return forms and deposit of \$50 to class teachers as soon as possible.

Year 6 Leavers Shirts

A friendly reminder that all leaver shirt orders are due by this **FRIDAY 21 FEBRUARY**.

CHAPLAINS CORNER

Hello Families,

I trust the school year has started well for you. If you happen to find yourself struggling financially at the moment and could use a membership to Food-Bank WA please come and let us know, either at the front office or to me personally and we can organise that for you. We all go through times when we need a bit of extra support in one way or another and we are always happy to help.

P&C News

AGM

Have you ever thought about what the P&C does at Camboon Primary? The AGM will be held next Monday 24th February and we would love for you to come along and see what it is all about. We are looking for anyone who has an interest in making their children's time at school just a little bit better. Membership comes in many "shapes and sizes" - joining the P&C does not mean you are overly committed - even if you can't come to all the meetings, you can still receive copies of minutes and be involved as much or as little as you like. It's good to have new people to bring new ideas that could benefit our school community. The P&C is responsible for running many of the extras that help make the school a nicer place.

In addition to running the canteen and uniform shop, we also organise discos, sausage sizzles, special lunches at Christmas, Mother's Day and Father's Day events, Colour runs, biannual memorial tea-towels for Kindy and Pre-primary and leaver's shirts for our graduating class, and much more. Whilst these are not essential in a school, they sure do make it a lot more enjoyable!

Fundraising in the past has been used to pay for fencing in the nature playground, Athletics, Reading Eggs, book prizes at end of year, paint and materials for updating the junior school and many other items. If this sounds like something you'd enjoy, please join us at 7pm on Monday night.

Book exchange

Did you know we have a book exchange at Camboon Primary? We all know Mrs Cuculoska's motto of "Read, Read, Read" and the P&C would like to encourage that for adults and kids. The book exchange is set up in the parent room and overseen by Mrs Melissa Whyte. Please feel free to visit and browse the shelves. If you see a book you'd like to read, you are welcome to take it.

Similarly if you have any books at home you are finished with, please consider donating them to the book exchange. We currently have a variety of books suiting everyone from young readers through to adults. Donated books can be left in the boxes in the parent room.

Mondo recycling

You may have noticed a big yellow bin has appeared at the back of the canteen - Camboon Primary has recently partnered with SCR's Recycle with Mondo recycling program. We need your help to raise funds for our school and it couldn't be easier. All we ask is for families to consider donating any clean clothes and linen that are no longer needed next time you have a spring-clean. Items that can be recycled are clothes, shoes and linen (sheets, doona covers, towels, blankets). Our school is paid a small amount for every kilo of donated goods. The program helps raise money for our school, reduces waste to landfill, creates jobs and supports communities in developing countries all at the same time.
