## SCHOOL HOLIDAYS

## STUDENTS COMMENCE TERM 3 ON TUESDAY 23 JULY 2019

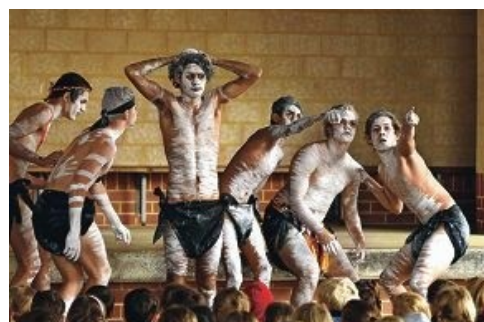

### Room 1 Assembly

Congratulations to Mrs Winn and all of the Room 1 students on an entertaining and well-run assembly. Their song about wobbly teeth was relevant and fun. They should also be commended on the way they read their parts and the merit certificates. Well done Room 1!

### NAIDOC Celebration

Naidoc Week is celebrated in the week of 7-14 July. As this is during the school holidays, we will be recognising this celebration on Friday 21 June, through a performance by Wesley College's Moorditj Mob. The Moorditj Mob are a group of Indigenous students who perform cultural dances and explain their meaning to students. This performance will be free for all students as the cost is covered by Camboon Primary School.

### Reports

Printed copies of Semester 1 reports will be sent home with students on Thursday 4 July. Parents who wish to receive a second copy can notify the office and an electronic (PDF) copy will be sent via e-mail.

### Hawaiian Schools Program

As part of the Hawaiian Schools Program, we have been offered the opportunity for a class of students to attend a production by the Barking Gecko Theatre Company. Hawaiian are covering the costs of the performance and also providing transport free of charge. This excursion would usually cost students well in excess of \$20 each, and we thank Hawaiian Noranda for their generosity.

This excursion has been offered to all year 3 students. Parents will need to give permission to attend, but there will not be any cost. Notes have been sent home today.

### Talk Soon, Talk Often (Health Dept WA)

As a parent you will answer thousands of questions but the ones about sexuality and relationships are often the most challenging to answer. Some parents can be so worried about giving an absolutely perfect answer that they end up saying nothing at all. You and your family are the most important source of sexuality and relationship information for your children. More than anyone else, you will lay the foundations for well adjusted, confident and healthy children who go on to experience positive relationships. So what is the best way to handle these very important questions? It's simple - talking a little and often makes a positive difference to your child's sexual health.

For more information about how to talk to kids about the topic of sex, visit:

### Active Laps

Active Laps has started successfully – with more than 50 students participating, and many having done more than 10kms already. Even some of our Kindy students have done laps! Students can arrive from 8.15 to participate in Active Laps. It's a great way to warm-up on these cold mornings!

### 2020 Enrolments are now open

If you know of any families with children eligible for Kindy next year, (born between 01/07/15 and 30/06/16), who are interested in applying to enrol at Camboon PS for 2020, please let them know to apply now.

All applications for enrolment are due by Friday 26 July 2019. Please note that an *Application for Enrolment* can only be made at one public School.

Applicants will be advised in writing by late August of their success in obtaining a place for 2020. Successful applicants will then be required to complete full enrolment forms.

Please note that students already attending Kindergarten at Camboon Primary School this year are required to apply for Pre-primary 2020.

Application forms for these students will be going home this week. Current students from Pre-primary to Year 6 are automatically enrolled in each subsequent year and therefore it is not necessary to complete another application.

### Edu-dance Concert

The Edu-dance concert will be held on Tuesday 25 June in the assembly area. The concert will be presented in two parts and students will only assemble to watch either Part 1 or Part 2, with parents welcome to watch either or both. Lunchtime will be held early on this day (12.40-1.20) so the concert can take place after lunch. Please see below for which classes will be performing in each part.

The awards also reflect some of the values we share as Australians, a sense of fair play, generosity of spirit, commitment to community, participation and a real concern for the environment.

### Chaplain Corner

Anger is a normal emotion that we all feel at times. Anger is not wrong, it's what we do in our anger that is wrong. When our children are angry there are usually other emotions below the surface that are causing the anger. Emotions like frustration, fear or sadness. We can tell our children it's ok to be angry but it's also important to guide them through their feelings and see what's actually causing the anger. Perhaps they are sad about something happening at home or at school. If your child could use some help sorting through their emotions feel free to contact the school and we can help.
