Welcome back

Welcome back – we hope you all had great holidays and found time to, “read, read, read” with your children. Once again, we have many exciting and interesting events on this term. I look forward to seeing most students up in my office for great work and learning. I want to give away as many books as I can this term!

P&C Day

This Friday, is P&C Day, Western Australia. It is our opportunity to thank the wonderful volunteers who do so much for our school. Our P&C members will be thanked by school staff at a morning tea. We would also like as many students, parents and family members to write messages to our P&C and add them to our THANK YOU wall in the assembly area. This will be available on Thursday and Friday to add to. Our P&C are a vital part of Camboon and they run many events and fundraise for equipment and resources for our students (your children). They work very hard to support our school and we appreciate everything they do. Please assist us in thanking them.

School Photos

School photos will be done during Week 2 this term and envelopes have been sent home.

Photos will be taken on Tuesday 30 July for EC1B and Thursday 1 August for the rest of the school.

Parents must complete one envelope per child and enclose the correct amount of money as no change will be given. Alternatively you can pay by cheque, payable to Midland Photography or by credit card. **Please note we are unable to accept direct deposits into the Camboon Primary School account for school photos.**

Book Week 2019

We will be celebrating Book Week in Week 3. The theme for this year's event is “Reading is my Secret Power”. We have lots of exciting activities planned throughout the week including: Parent Open Night with P&C Scholastic Book Fair on Wednesday 7 August, an incursion on Thursday 8 August and the Book Parade on Friday 9 August. More information regarding the layout of the week, including the costume theme, will be provided by the classroom teacher. Please note that the incursion is \$6.30 per students, and notes were sent home yesterday.

Year 2 Room 3 & 4 Kings Park Excursion

Parents are reminded that the Kings Park Excursion is now scheduled for **Tuesday 30 July 2019**.

I. R. O. S. E. – Self-Aware

Being self-aware is a skill that helps your child recognise and understand their thoughts, feelings and actions. This leads to understanding how others may see them and how their actions affect themselves and others around them. Self-aware children understand how their actions are perceived by others, know when to engage their strengths, when to pull back, and discover areas in which they need improvement.

Here are some ways that you can support your children to be self-aware:

- Be a positive role model.
- Help them recognise and accept their emotions.
- Empathise with your child.
- Develop good communication between you and your child.

Teach effective problem-solving skills.
