

Camboon Primary School P&C Colour Run

1. Our goal is to have lots of fun and raise as much money as possible for Camboon Primary School to use towards new art display boards and outdoor play equipment.
2. Ask as many relatives and friends as you can to sponsor you. **Do not go door-knocking or ask strangers to sponsor you.** Before the Colour Run, sponsor sheets and money are to be returned to your classroom teacher. You must return your signed sponsor sheets and any donated money to be able to participate in the colour run.
3. During the Colour Run there will be 60kg of colour powder thrown creating a kaleidoscope of colours, obstacles to negotiate and some water.... Music will be playing LOUDLY throughout the run to keep everyone pumped!
5. Students need to come to school dressed in school uniform. Make sure you have a change of clothes to wear and suitable shoes. You will not be able to participate in school uniform. The colour powder is not toxic but will stain clothes (the bright colours show up best on white t-shirts!). Asthmatics should have their inhalers with them.
6. Once again the P&C has chosen not to use an external company to provide flyers and organise prizes as they take a large amount of the money raised to cover their administration costs. By organising within the school, we can ensure every cent donated goes directly to the school.
7. Local MP Amber-Jade Sanderson will be joining in the colour run and has donated a prize—**one lucky student will win a Samsung tablet.** We would like to encourage each child to raise at least \$10. Every child that returns their form and \$10 will receive an entry into the prize draw. As an added incentive, for every additional \$5 raised, your child will receive an additional entry into the draw.
The more money you raise, the more chances to win!!
Please note no physical tickets that can be lost will be handed to kids—the relevant number of tickets are issued directly to the prize box as money raised is returned.
8. Woolworths Noranda is providing free fruit and bottled water for all students to enjoy at the end of the run!
