CALENDAR OF EVENTS:

Friday

- **Harmony Day**
- **National Day of Action Against Bullying**

Assembly

Congratulations to students in Room 16 and Mr McLennan on an outstanding assembly. I was so sad to miss it but heard wonderful things about it. Well done.

PBS (Positive Behaviour Support)

I attended this professional learning along with 7 staff members on Friday 13 March to assist us in continuing to implement PBS at Camboon PS. Now that we have our behaviour expectations and matrix completed, staff will be teaching specific behaviours and students will be acknowledged for demonstrating the behaviour expectations.

School Board

I made the decision to cancel the board meeting on Monday 16 March in light of the social distancing recommendations. The board will work through required items via email.

Principal

Term Dates

Please note that Term 1 2020 finishes on Thursday 9 April. School resumes for all students on Tuesday 28 April, except for Kindy EC1A and EC3K who resume on Wednesday 29 April, 2020. The School Development (Pupil Free Day) for Term 2 is scheduled for Friday 29 May.

COVID-19

Most parents will be aware that we have been providing regular updates via Connect regarding COVID-19. We will continue to do so, and Connect will remain our main form of communication. We have asked all families to provide up-to-date contact information, and thank those who have already done so. We also request families to reach-out to other parents in their children's class/friendship group to check that others are using Connect, and if not, offer to help them set it up, or refer them to the office. Please go out of your way to speak to those you may not usually speak to, to check on them. We have set-up the notice board outside the library as a 'communication hub' and will place all up to date COVID-19 information there. (Please note those using Connect

will not need to visit the noticeboard as it will be the same information.) It is important that our school community rally together at this very difficult time, and we thank you for doing so.

How can I protect myself and others against COVID-19?

- Frequently washing your hands for at least 20 seconds with soap and water, or using an alcohol-based hand gel. 
- Refrain from touching mouth and nose.
- If coughing or sneezing, covering your nose and mouth with a paper tissue or flexed elbow.
- Dispose of the tissue immediately after use and perform hand hygiene.
- Avoid close contact with anyone if you, or they, have a cold or flu-like symptoms (maintain a distance of at least 1 metre).

HARMONY WEEK CELEBRATIONS

Harmony Day is celebrated across Australia on 21 March each year, and is a day to recognise and celebrate the many cultures that make up our nation. Harmony Day is about inclusiveness, respect and belonging for all Australians, regardless of cultural or linguistic background, united by a set of core Australian values. In 2020, Harmony Week will be celebrated at Camboon through a range of activities.

- Sharing multicultural stories daily (staff reading to students).
- Library display.
- Cultural dress – Friday, March 20. Students are invited to wear their cultural dress or to dress in orange (the colour of Harmony Day), however, there will not be a whole school parade.
- Rotating cultural activities – students will participate in a range of activities from different cultures. We are keen to hear from any family members who have a skill or craft from their culture to share with students. If any parents are available, please speak with your child's teacher to clarify times.
- Multicultural canteen lunches: The P&C to have multicultural menu options during Harmony Week. Please see attached menu.

UNIFORM SHOP:

CHAPLAINS CORNER

In this time of uncertainty lets remember that young minds get over-whelmed very easily. They are not able to process things the same way adults can. It is important in these times to limit the exposure they have to things happening around the world. Let's teach them to be sensible but not to fear the state of the world at the moment. Try to keep things as normal as possible as that gives them a greater sense of security and try to keep adult topics between adults only and away from young ears. The school will provide some useful links in an update via Connect today.

P&C News

Dear Parents and Guardians

The situation is changing rapidly in Australia in relation to the COVID-19.

In the interest of the health and wellbeing of our Camboon community, the P&C are implementing some changes to the canteen and uniform store to assist with social distancing, also to ensure the cleanliness and safety of our staff, students and families.

Tastebuds

From Friday 20th March 2020, our canteen will not be offering over the counter sales for recess and after lunch treats, pre ordered items will be provided for both recess and lunch as per usual but we will not be opening for extra sales to minimise bulk student interaction at this time, until informed otherwise.

ONLINE ORDERS will still be available as per normal EXCEPT on Harmony Day.

Harmony day

On Friday 20th March 2020 our lunch specials are still planned, so please see Dee in the canteen to pre-order, or drop off your order to the P&C box in the office by Thursday 19/03/2020 9.10 am.

Unfortunately we will also be suspending our year 6 helpers for the foreseeable future. Whilst we know they love being involved and Dee loves having them, we need to comply with appropriate social distancing measures.

As the term is winding down our canteen will begin to do the same with its stock. Homemade items may become unavailable in the coming days.

We will endeavor as always to meet the needs of our school and its families to the best of our abilities, however, we may be unable to offer certain items as it is becoming more and more difficult to source all the things we need.

Good News!!

Our Easter raffle will still go ahead as planned so please keep bringing in your donations and tickets!!

The prizes will be drawn and brought to classrooms for students to bring home.

Once again thank you to all our families for their continued support and patience while we transition through this period.
