Assembly—Room 3

Congratulations to Room 3 students and Mrs Hardy and Miss Purdy on a fabulous item. I really enjoyed the educational aspect of the item and I enjoyed asking them questions about the item and their ideas for it. It is always wonderful to see and hear our students performing with such enthusiasm and confidence. Our next PA assembly will be next Friday by Room 1. We are hopeful that next term our assemblies can go back to normal, though this will be dependent on both government restrictions and the building works going-on around the school, and we will communicate this information to parents ahead of any events.

Children's University Australasia (CUA)

Yesterday after lunch, I met with all students from years 4-6 to launch the new Children's University program, which includes UWA this year as well as ECU. Students were given the membership form to complete and this needs to be returned to the office with membership fee by Thursday 2 July for those who are interested. This is a great opportunity to encourage high quality out of school hours activities.

School Board

We had our meeting last Monday, 15 June. It was fantastic to welcome new parents and a community member on to the board. Over the next term, we will introduce the school board members through the newsletter. In this way, you will be able to contact any of us if you have ideas, etc. I look forward to another successful year, although, it is very different. Congratulations to Michelle Stamos who was unanimously voted in as the School Board Chair.

Reports

Student reports will be sent home on Thursday 2 July and Friday 3 July for EC1B students. As communicated previously, this semester's reports will look a little different to previous reports. Students will not receive a grade but there will be information about what they have been learning and what they can do. Semester 1 reports will not include attendance data due to the disruptions to schooling over the past months. It is anticipated that Semester 2 reporting will be back to normal.

When you receive your child's report, please read them carefully and then sit with your child to discuss the comments. Teachers spend a lot of time teaching and assessing students to be able to report. The comments are vital as they tell you what your child can do and what they can do to improve. It is important to celebrate the successes achieved this semester. Families who require a second copy please email the school office (camboon.ps@education.wa.edu.au) by Friday. Second copies will be emailed to the nominated recipient.

Covid Update—Phase 4 announcement – easing restrictions

On Monday 22 June, the WA Premier announced details of the remaining phases of Western Australia's Roadmap for easing restrictions. Our next phase, Phase 4 will start on Saturday 27 June and come into effect in our schools on Monday 29 June, Week 10. New operating guidelines and FAQs will be published when they come to hand. The Premier also reminds Western Australians to be vigilant and continue to keep-up physical distancing and good personal hygiene to better protect themselves and maintain general community health.

We are still asking that parents refrain from entering school buildings (classrooms, wet areas, library) and only enter the front office if required. Parents who are picking-up or dropping-off students for appointments or the school dentist may enter the school office to sign students in or out. We will inform the school community as restrictions ease.

Staff Development Day

As you know, the Week 5 student free day was postponed in order for students to spend more time at school this term. Next term there will be two student free days; Monday 20 July (the first day of term); and Monday 7 September. These days are used for planning and professional learning for staff.

Physical Education News

Over the course of the last week, students from Year 1 to 6 participated in a cross country run during their regular sport or physical education lessons. Each student had the opportunity to run the event and their run was timed. The distances were as follows: Year 1 – 600M; Year 2 – 900M; Year 3/4 – 1200M; and Year 5/6 – 1500M. Due to the COVID-19 restrictions we were unable to run our normal Cross Country Event which was disappointing for everyone, and I sincerely apologise for not communicating this to parents earlier. The intention of giving the students the opportunity to do this run was purely for the experience and to earn participation points for their factions. Congratulations to all students for showing wonderful resilience in completing this run.

As part of our physical education lessons this term students in Years 3 – 6 have been doing a 10 minute run which we are calling "Run for Wellness". This involves the students running around 5 different courses throughout the term and at the completion of their lap they scan their unique QR code which records the number of laps and the distance run. Students are encouraged to move continuously around the course with some students pushing themselves to run as many laps as they can in the allotted time each week. Our students have completed 1596 kilometres over the term! Congratulations to the following students for running in excess of 50 laps – Keira H, Max L, Brayden W, Minh P, Alisa M, Haidan H, Layla S, Julian F and Reef T-K. I look forward to a continued outstanding effort from all students in Term 3.

As you know, Term 3 is usually a busy term with sporting events, and we will keep parents informed of any changes that will be made as a result of government restrictions. For now, it is planned that the faction athletics carnival will be held on Wednesday 9 and Friday 11 September, weather permitting.

Music News

Choir rehearsals have resumed this week in the music room after taking place for a number of weeks in the assembly area. It was great to see so many students at this week's rehearsal. As you may already know, the Massed Choir Festival in September has been cancelled, but the good news is that a replacement Massed Choir Sing-along day performance on the steps of the Perth Concert Hall is being planned for Term 4 (around Wednesday 18 November).

Students are encouraged to practice the songs for this Massed Choir Sing-along day on the website www.massedchoirfestival.org.au or if they bring in a USB to the music room I can download the words and music. Choir students who love to draw or paint are encouraged to submit a picture of the song "All Swans Are White" or "Raining on the Rock" by Wednesday 1st July so it can be sent into the Massed Choir Festival to be used in two videos that are being prepared for students. Information sheets and paper can be collected from the music room.

Next week before school on Tuesday 30 June I will be filming the students sing "I Am the Earth" for parents to be able watch. Students need to arrive promptly for our rehearsal wearing their choir uniform, and will need to bring their normal school shirt in their bag to change into afterwards. I have spare shirts if students forget their shirt but unfortunately they won't be in the film if they don't attend. I hope to see everyone next week for this important rehearsal.

2021 Enrolments are now open

If you know of any families with children eligible for Kindy next year, (born between 01/07/16 and 30/06/17), who are interested in applying to enrol at Camboon PS for 2021, please let them know to apply now.

All applications for enrolment are due by Friday 24 July 2020. Please note that an *Application for Enrolment* can only be made at one public School.

Applicants will be advised in writing by late August of their success in obtaining a place for 2021. Successful applicants will then be required to complete full enrolment forms.

Please note that students already attending Kindergarten at Camboon Primary School this year are required to apply for Pre-primary 2021. Application forms for these students have already been sent home.

Current students from Pre-primary to Year 5 are automatically enrolled in each subsequent year and therefore it is not necessary to complete another application.

AUSSIE OF THE MONTH

The Aussie of the Month Award is a West Australian primary school based award program which has been in operation for over ten years, with the participation of hundreds of schools across the state. Like all of our awards the 'Aussie of the Month' recognises personal endeavour, achievement and contribution to the community. The awards also reflect some of the values we share as Australians, a sense of fair play, generosity of spirit, commitment to community, participation and a real concern for the environment.

Congratulations to our May Aussie of the Month recipient

BETTER HEALTH PROGRAM

Be fitter, healthier and happier!

The Better Health Program is a free 10-week healthy lifestyle program for 7-13 year old children who are above a healthy weight, and their families. The program is available face-to-face or online in selected areas throughout Australia.
Get in touch to find out if the program is available near you!

Is your child...

- » Aged 7-13 years old?
- » Above a healthy weight?
- » In need of support to improve eating and activity habits?

The Better Health Program is a FREE, 10-week, online or face to face program for children and families. There are weekly sessions, free resources (+fitness tracker) and weekly coaching meetings or calls with a trained and qualified health coach to help keep you on track.

Get involved and start collecting your weekly tokens and prizes!

Due to the ongoing Covid-19 situation face-to-face programs continue to be cancelled until further notice.

However, the online version of the program (formally named TEAM Kids Online) featuring weekly phone call support will continue uninterrupted.

Please note that Term 3 2020 places on the online version of the program are limited, with places being offered to families completely free of charge on a first come first served basis.
