## 50 Year Celebration

Camboon Primary School is turning 50 this year and we want to celebrate this special 'birthday.' If you are interested in planning for this event and being part of the celebrations, please email; [camboonps50years@gmail.com](mailto:camboonps50years@gmail.com)

## ANZAC Service

It was a shame that we could not have invited guests and parents attend our special ANZAC Service. Every year, the students and staff make this service outstanding and this year was no different. It makes me extremely proud to be the principal of this school. Thank you to Mrs Bojanich and students in the choir for the fabulous performance and the whole school song. It gave me goosebumps! Thank you to Mrs Halls for creating our beautiful school wreath. I hope you have had a chance to watch the video.

### Year 6 camp

It's great news that our Year 6's went off to camp today. I want to sincerely thank our amazing staff – Ms Long, Miss Johnson and Mr Hill – for giving up 2 nights of sleep in their own bed to take our students on camp. Ern Halliday Recreation Camp is a wonderful opportunity for students to test their "Courage, Perseverance and Respect." I love hearing about all the exciting activities that they get to try and how proud they are of their achievements. It is always the most memorable part for our students.

### Note from the Chaplain

Does your child ever get angry, frustrated or sad? Do they find it hard to explain why they are having those big feelings? I have found that quite often they really do not know why, they have been triggered and their reaction to a situation is really big. I spent many of my parenting years frustrated as my children were unable to put into words their feelings so we could solve the problem. The Information below from the Big Life Journal really helped me communicate better with my family and I thought it might be useful for you too...

What your child needs to hear when they are experiencing big feelings;

- I can see this is hard for you
- You have my full attention
- Thank you for expressing your feelings to me, that is very brave
- I care about how you feel
- It's ok to have these feelings
- Even when you feel the worst, I love you
- I am here for you
- I will stay with you

Your child needs to know that these feelings are ok. You do this by creating an environment where you are fully present as you demonstrate compassion and deepen connection and trust with them.
