Expression of Interest

The Maylands Multicultural Playgroup will support multicultural families with children who are not old enough to attend school to participate together in FREE play and learn sessions. Our playgroup educators are committed to working alongside families to support them as their child's first and ongoing educator; valuing the learning that families and communities provide. Our priority is building solid language foundations to provide children with the tools and skills for Kindergarten.

We strongly encourage families to speak in their home language to their children at the playgroup. Our teachers will provide the resources and the English language skills to encourage a language rich experience.
