Year 6 camp

It was wonderful to hear the excitement from the students when Mrs Pesce, Mrs Petkoff and I arrived at camp on Thursday evening. The students wanted to tell us EVERYTHING they had done so far! The quiz night was another success and a HUGE thank you to Mr McLennan for coming to run it. Once again, THANK YOU to Ms Long, Miss Johnson and Mr Hill for taking our students on camp.

Assembly

What a fabulous assembly Mrs Ienco presented with students who spoke amazingly well in Italian and English. There was so much history and influences that have come from Italy and students enjoyed watching it on our big screen. Well done to all involved.

NAPLAN

Most of you would be aware that our Year 3 and 5 students are sitting NAPLAN tests this week. These tests allow us to see how our students are progressing and help us to improve our teaching as required. We encourage students to do their best and we treat it just like any test we do at school.

P&C

Thank you to our wonderful P&C for organising lovely gifts for students to buy for Mother's Day. It was very well visited and students had lots of choices.

Marri Cluster Mother's Day

The Marri Cluster Mother's Day Movement Afternoon was held last Friday, with many Mums and Grandparents attending to dance the afternoon away with their children. There was a selection of high-energy dances followed by the students serenading their special guest and finally some relaxation music and a massage for the Mums. There were smiles and laughs all around, an indication that a good time was had by all involved!

Year Six Camp 2021

On Wednesday 28th April, forty-four enthusiastic Year Six students and three staff members arrived at the Ern Halliday Recreation Camp in Hillarys to begin three days of camp. With mostly glorious weather, these days ended up being challenging, rewarding and tiring for all involved but they will remain in the memories of our students for a long time to come.

Both students and teachers encouraged and applauded the students as they faced and overcame challenges that were sometimes intimidating. New friendships were forged, and a sense of bonding became evident as the students worked in two teams to conquer the Flying Fox, Big Swing, Crate Climb, Lost Pilot, Caving, Indoor Rock Climbing, Orienteering, and the more relaxing activities of Archery and Kite Making.

Ms Long, Miss Johnson and Mr Hill were extremely proud of the way our students approached the activities and with the way in which the students represented Camboon Primary School throughout the three days.

Thank you to Mrs Cuculoska, Mrs Petkoff and Mrs Pesce for visiting and helping out at our Thursday night Quiz Night. A special mention needs to go to Mrs Cuculoska for her efforts to assist one group's answers with her 'miming prowess'. A very special thank you also, to Miss Amy, for coming and spending Thursday with us and helping us with our exciting activities. Fresh fruit and water bottles donated by Ms Niki Poon, Manager of Coles Supermarket Noranda, was a much welcomed and enjoyed afternoon snack and we thank Coles for this donation.

New playground

Finally we have had the new playground installed on the school oval. This was possible from a \$20,000 grant the school applied for and received in 2020. The P&C also donated \$10,000 towards the cost. I'm sure our students will enjoy the new equipment.

ACTIVE KIDS ARE SMARTER KIDS

FRIDAY 14 MAY 2021

A challenge to all Australian Primary Schools and Councils

National Walk Safely to School Day (WSTSD) is on Friday 14 May 2021. Now in its 22nd year, the annual campaign encourages all primary school children, their parents and carers to walk safely and regularly to school.

The event seeks to promote road safety, health, public transport and the environment.

Australian children are becoming less active. One substantial contributor is the decline in walking and/or taking public transport to school. Children who are regularly physically active are healthier, perform better academically and are less likely to be obese or overweight. Sedentary behaviour can lead to long-term and costly risks of illnesses such as heart disease and diabetes.

Walking regularly is the best exercise because you can build it into your daily routine.

The objectives of National Walk Safely to School Day are:

- To encourage parents and carers to walk to school with primary school age children
- To promote the health benefits of walking and create regular walking habits
- To help children develop vital road crossing skills and ensure children up to the age of 10 years hold an adult's hand when crossing the road
- To reduce car dependency and traffic congestion
- To reduce the level of air pollution created by motor vehicles
- To promote the use of public transport
