Staffing updates

We would like to congratulate Mr McLennan on being the recommended applicant for the School Sport position that he has been doing. He will stay in this role until the end of the year. I am happy to announce that Mr Nguyen will be continuing as the Physical Education specialist teacher and Mrs Jayatilaka will continue as the Science specialist teacher. We thank each of them for the amazing learning they provide to our students.

Janice Cuculoska—Principal

NAPLAN Years 3 and 5

NAPLAN will commence on Tuesday 10 May. Students undertaking NAPLAN will take part in a coordinated practice on Thursday 24 March. All students need a pair of headphones to use during the coordinated practice and the testing in May. If your child does not have headphones or their headphones are not working, can you please organise a new pair for them at your earliest convenience.

Choir News

Good news for Choir students. Choir rehearsals have resumed for all interested students in Year 4, 5 and 6. Rehearsals will take place every **Tuesday morning from 8am on the Library steps**. I will have the PA system step up to play the backing music and students will sit on the steps and sing with printed lyrics.

We had 14 very keen students arrive for our first rehearsal on the library steps on Tuesday. If your child is interested in participating in the school choir, they are welcome to join us this term before they make a commitment next term. I have set up a Choir Connect page for choir students and will add each choir member to the page, so students can practice at home.

Stephanie Bojanich—Music Specialist

Celebrating 50 years at Camboon

I can't believe it was only last year that we celebrated Camboon Primary School's 50th year. It was such a wonderful whole community event that we had but also the school fun day was a lot of fun! The art work that students and staff created on the day has been completed and is proudly hanging in the assembly area. Please go and have a look when you can. Thanks to Mrs Ienco and our staff for putting it all together and to Mr Dean our amazing gardener for assembling it and hanging it. I think it will be a great piece of artwork for students to come and find their flower in 50 years' time.
