## My Holiday Challenge

How did you all go with my challenge? I would be happy to get some emails from parents to let me know what their child/ren told them. My goal this term is to listen more, especially to our students. I want to know what they think and what they think they need from a school. I did do a short survey in the last week of Term 1 and I will share some of their responses over this term. Our students are very wise and have some wonderful ideas and thoughts.

## Term 2

I am looking forward to another exciting Term 2 at Camboon. It will be busy as usual and I hope the new easing of restrictions that come into effect on Friday will stay. I hope we can all get through the term healthy,

happy and completing lots of awesome learning. Thanks you again for your wonderful support and understanding. We wish Mrs Winn, Room 7, who is on long service leave, a fabulous and well deserved break during Term 2. We welcome Miss Sidhu in her absence.

## After school play on school grounds

Some families are choosing to stay and play on the school play equipment after school. Whilst this does provide social opportunities for parents and children, unfortunately it sometimes creates issues for the school (like students be unsupervised, toilet issues, interference with cleaners etc). For these reasons, we ask that families vacate the school grounds by 3.15pm. There are a number of public parks and playgrounds in easy walking distance from the school, and parents are encouraged to use these. Thank you for your understanding.

## ANZAC Commemoration

Our ANZAC service will go ahead for students and staff this Friday 29 April at 9.00am. Due to COVID restrictions being lifted, parents are now invited to attend our service. We are asking for donations of flowers with stems and greenery like ferns and fronds, for our school wreath, to be given to Mrs Halls in Room 9 before school on Friday morning.

## NAPLAN 2022

Students in Years 3 and 5 will complete NAPLAN over two weeks, between 10 May and 20 May (Weeks 3 and 4). Parents and guardians are reminded that students will need a set of headphones to use during the testing. Students can access the Public Demonstration Site at <https://www.nap.edu.au/online-assessment/public-demonstration-site> to practice examples of the types of questions that they may need to answer during the testing.

If you have any questions relating to NAPLAN, please contact your child's teacher or Mrs Fiona Petkoff, Deputy Principal Years 3-6.

## Swimming (Pre-primary to Year 6)

In-term swimming lessons commenced today for all students Pre primary to Year 6.

A reminder that students need to come to school with their bathers under their school uniform. As students will be travelling back to school to change into their school uniforms, the students will require a dressing gown, large towel or beach poncho to travel back to school. Please ensure that students have underwear in their bag to use when they return to school. Students with asthma, must have their asthma puffers in a labelled zip lock bag with their name to be kept poolside during the lesson. Please don't forget towels and goggles if needed.

## Choir News

The choir will be performing at the ANZAC Service this Friday 29 April. Can choir students please arrive early on Friday at 8am to meet in the music room for a quick a rehearsal and to be sized up for a choir shirt to wear for the performance. If your child is unable to arrive by 8am, can they arrive as early as possible so they can collect their choir shirt before 8.30am.

The school choir is now able to rehearsal in the music room this term and rehearsals will run every Tuesday morning from 8.00 - 8.45am. Along with the ANZAC song we have begun learning the 11 Massed Choir Festival songs that we will be performing at the Perth Concert Hall on Thursday 22<sup>nd</sup> September. Any students in Year 4, 5 or 6 who are interested in joining choir, are welcome to join this term in Week 2 or 3. Last term, some students said they were interested in joining but have not yet attended any rehearsals. I understand that students will be absent from time to time this term as they were last term. If your child wishes to participate in choir this year and perform at the Massed Choir Festival, they need to make a commitment to attend choir rehearsals **every Tuesday when they are present at school**. I will send out information letters about the Massed Choir Festival next week for parents and students to read and sign. If you have any questions regarding choir, please do not hesitate to see me in the music room on Monday, Tuesday or Friday or contact me via email.

# EASTER HAT PARADE

## Easter Hat Parade

Students enjoyed our annual Easter Hat Parade at the end of last term. We were glad to see that some students even participated from home.

## Notice from School Chaplain Amy

**Raising overcomers: How to teach your kids to do hard things  
Teach your kids to fight fear, to live brave and overcome hard things.**

**Here are 4 things to be intentional about in raising kids who can do hard things.**

### 1. Let them fail

Home is a training ground for life. It's a place where our children are loved no matter what, a place where their worth is not based on performance, and the safest place for them to trip and fall and learn about what it takes to get back up again. Be intentional about giving your children a safe place to mess it all up, to fail forward, to learn consequences and forgiveness and exactly what it takes to get back up and try again.

### 2. Equip them

Watching children deal with hard things give us the opportunity to teach them how to respond well. One thing I've learnt is that no matter how irrational, improbable, or ridiculous it may seem to someone else, fear is real. We all fear different things, but when you are in the middle of it, it becomes your reality. Teaching them how we handle fear, how we fight negative thinking that can eat away at our hearts, is the best way to equip them for the hard things they face.

### 3. Talk truth

While we try to re-shape hearts and complaining attitudes around here we don't shy away from calling things hard. Learning to swim is hard. Homework is hard. Keeping a tidy room is hard. Sure it is, but that doesn't mean we don't do it. As we talk more and more about the hard things of life, like being treated unkindly, not being able to do what we want, the challenging things because they don't ever magically go away.

**Talking truth with your kids, helps them to understanding that hard work is a part of life and not something we shy away from.**

### 4. Teach them

Consider intentionally teaching your children to do hard things, to push past their will and what they see right in front of them in order to learn the value of perseverance.

Try taking on a big challenge as a family. Show them how to serve others or get them outside their comfort zone. These things don't come naturally for most children, or adults for that matter. Walk them through it intentionally and give them opportunities and new environments in which to practice it.

## Foster Care Information Sessions

Children require a safe place to live. At times, for a variety of reasons, living with family is not the safest option for all children. Department of Communities, Mirrabooka District, is seeking motivated, caring and nurturing adults who may be willing to attend a local information session to hear about becoming a foster carer. Foster carers often tell us that making the decision to help vulnerable children and young people and providing them with a loving home has been one of the best decisions they have ever made. There are a number of foster care options available. Some are long term, full-time arrangements while other foster carers provide support for short term or short break placements. Foster carers come from all walks of life. You may be single, partnered or married, with or without your own children. As a foster carer, you would be supported by a dedicated Placement Officer.

Interested applicants would need to attend a fostering information session. We have sessions that will occur at the Mirrabooka District office and the Herb Graham Rec Centre in Mirrabooka on the following dates:

### Information Sessions – 2022

Saturday 28th May 2pm - 4pm - Herb Graham Recreation Centre

Tuesday 14th June – 6pm – 8pm – Mirrabooka District Office

Wednesday 21st September – 10am – 12pm Mirrabooka District Office

Saturday 22nd October – 2pm-4pm – Herb Graham Recreation Centre

# FOSTER CARE INFORMATION SESSIONS

Government of Western Australia  
Department of Communities

## Foster care

It's not just the child's life that changes

There are a range of reasons children and young people come into care, but whatever the reason, what they all need is a stable and nurturing environment in which to live.

We don't just want our children and young people to survive their childhood, we want them to thrive into their adult lives – and our foster carers play a key role in achieving this.

The Department of Communities is always looking for people who can open their homes and open their hearts to children in need.

## Wonder Recycling Rewards

To support our Wonder Recycling Rewards Program, students are asked to collect bread bags (any brand), and deliver them to the school office.

### Wonder Recycling Rewards

Help us turn bread bags of any kind/ brand into  
school play equipment

Wonder Recycling Rewards is a fun and easy program created to collect and recycle bread bags (of any kind / brand) at school. Once collected, Wonder is going to turn the plastic into wonderful things like school play equipment.

As a registered school, our recycling efforts will earn us rewards points, to redeem for new sports equipment. We also go into the draw to win an exercise circuit made from the recycled plastic we collect!

It is important that items being recycled are not contaminated with other products and are as clean as possible.

The rule of thumb is that if it has contained bread of some sort and is a soft plastic, then it's a bread bag. If it hasn't contained bread, then it's not a bread bag.

Bread bags should be free from crumbs to ensure no contamination during the recycling process, but they do not need to be washed.

My child \_\_\_\_\_ of Year \_\_\_\_\_ Room \_\_\_\_\_ would like to participate in the after school tennis lessons for Term 2, 2022. I understand and agree that:

- Lessons will be operated by a private instructor, not associated with the school. This person holds a valid Working with Children card and will collect my child from the school at 3.15pm.
- The cost of participation is \$145 for 8 weeks, and fees are due prior to the commencement of lessons **(payable to Peter Gerrans—NOT the school—see account details above)**
- Children are to be well-behaved and respectful, and if the instructor deems necessary he may exclude a child from the lessons, after notifying the parent.
- In the event of injury or illness, the instructor may contact me on the emergency phone number below.
- I need to advise the instructor in writing if my child has any medical conditions.
- Tennis lessons finish promptly at 4.45pm and I must collect my child from the Noranda tennis courts.
