## Assembly

I was so sad to have missed Room 17's awesome assembly last Friday, however, Mrs Petkoff told me all about it. Room 17 have been focusing on learning about Family, Culture and Immigration. They studied different countries around the world and widened their knowledge about different foods, languages and music, that makes us a multicultural society. They performed 'G'Day' and then we enjoyed some individual performances on the violin and piano. Well done Room 17 students and Mrs Howard.

## Principal's conference

Mrs Pesce and I were at a 3 day Conference last week titled, Leaders as Learners. We certainly did lots of learning and it reminded us how tiring it is to sit, listen and learn! It was wonderful for us to be asked to present on how we implement integrated curriculum teaching at Camboon. This aspect of our school is supporting our focus on increasing student voice and student engagement in learning. It's very exciting and we are looking at how we can measure the impact this change is having.

## Public School Review

All schools are reviewed and our review happened on August 17. Prior to this day, all staff were involved in lots of reviews and self-assessment in the 6 domains and we provided lots of information and evidence of what and how we do things at Camboon PS. On the review day, we had staff, students and parents involved in meeting with the review team from the Department of Education who were very impressed with our school and our community. We received lots of positive feedback, especially about our young school leaders who spoke very confidently and passionately. The report which includes commendations and recommendations has been uploaded to our school website. You can read it by following this [link](https://camboonprimaryschool.wa.edu.au/our-school/publications/);

I am very proud of our students, staff, families and our whole school community and I am thankful for your support.

## AUSSIE OF THE MONTH

The Aussie of the Month Award is a West Australian primary school based award program which has been in operation for over ten years, with the participation of hundreds of schools across the state.

Like all of our awards the 'Aussie of the Month' recognises personal endeavour, achievement and contribution to the community. The awards also reflect some of the values we share as Australians, a sense of fair play, generosity of spirit, commitment to community, participation and a real concern for the environment.

**Congratulations to our September  
Aussie of the Month recipient**

## MONSTER SMILES

Monster Smiles is an initiative created by one of our former students, Joe. You can read about Joe and his journey to develop Monster Smiles at

<https://www.monstersmiles.com.au>. Joe believes that when we practice random acts of kindness, it releases positivity: We feel better and the recipients of our acts feel better, which then makes them more likely to be kind to other people.

This year we have introduced a "Smiles and Kindness" Award for students who are positive role models within the school. The award will be presented by Mrs Cuculoska at assemblies. Students will receive a certificate, and a Monster Smiles pillowcase, donated by Joe.

Smiles and Kindness recipient**

Wonder Recycling Rewards  
Help us turn bread bags of any kind/ brand into  
school play equipment

**LAST DAY—FRIDAY 9 SEPTEMBER**

To support our Wonder Recycling Rewards Program, students are asked to collect bread bags (any brand), and deliver them to the library.

Wonder Recycling Rewards is a fun and easy program created to collect and recycle bread bags (of any kind / brand) at school. Once collected, Wonder is going to turn the plastic into wonderful things like school play equipment.

As a registered school, our recycling efforts will earn us rewards points, to redeem for new sports equipment. We also go into the draw to win an exercise circuit made from the recycled plastic we collect!

It is important that items being recycled are not contaminated with other products and are as clean as possible.

The rule of thumb is that if it has contained bread of some sort and is a soft plastic, then it's a bread bag. If it hasn't contained bread, then it's not a bread bag.

Bread bags should be free from crumbs to ensure no contamination during the recycling process, but they do not need to be washed.
