Focus: Term 4 Weeks 1-5

At Camboon Primary School we encourage our students to be respectful of others and responsible for their own actions and environments. During the first five weeks of this term, we are focusing on responsible behaviour in the toilet areas of the school. Students will be taught how to use these areas appropriately and that by doing so they are being respectful to each other and the broader school community and the school environment. By supporting our students to be responsible in the toilet areas, we are establishing a foundation of mutual respect and trust and positive hygiene practices for the future.

Term 4 Planner change

There is a slight amendment in the Term 4 planner. The Music Assembly is now going to be held in Week 3 on Friday 28 October.

STEM Winners

Congratulations to last term's STEM Space Competition Winners, Jasmine from Room 4 and Alicia from Room 15.

Welcome back

I hope you all had a wonderful holiday and enjoyed some of the glorious sunshine we had. It has been a great start to Term 4. On Monday staff spent the day reviewing, reflecting and learning together. The focus was on what is working well and what we can improve in that has the best outcomes for our students. I am looking forward to another amazing term of learning, fun and lots of great events at Camboon.

2023 planning

I am currently looking at class structures for 2023. This is very tricky and all depends on knowing how many students we will have next year. If you are leaving the school (obviously Year 6's will be), please email me so that I have accurate numbers. We have quite a bit of

Open Pantry

We are aware that some families are experiencing financial hardship at the moment. To lend a helping hand, we continue to work with our local Uniting Church, to provide a food relief program for our local families. Each Wednesday afternoon from 12 noon to 3pm at the Noranda Uniting Church on Camboon Rd, anyone from our local community can visit, to collect a shopping bag full of groceries.

In addition to this, we are asking for your help with donations. A collection tub is in the school office for non perishable items.

Copies of NAPLAN Results and School Reports

Parents who require past copies of NAPLAN results or school reports are asked to contact the office and allow 5 working days for the staff to process the request.

Before School, After School and Vacation Care onsite at Camboon Primary School.

Should you require information regarding school holiday programs please visit their website or the school office or phone 0456 857 463.

NATIONAL --- WATER WEEK

Our Water Stories

17-23 October 2022

WATER WEEK POSTER COMPETITION

The theme for National Water Week this year is

MY WATER STORY.

*There are so many uses for **water**. Students are invited to create a poster that tells their water story.*

Think about what you use water for? Where does the water come from? What is your favourite thing to do with water?

Create a poster that tells your story!

Two winning posters for each year group will be chosen using the following criteria:

- The poster must be A4 or A3 in size.
- The poster can be made using any materials (paint, textas, crayons, collage materials, digital technology).
- The poster must tell your "water story".
- The poster must have your Name, Year Level and Room Number on the back.

The two winning entries for each year level will receive a prize and their posters will be displayed around the school.
