P&C

It was amazing to see so many parents at the P&C AGM and so many new faces. We really do want to encourage every parent to feel welcome and valued at Camboon. We may not always be able to do everything but it is always great to hear different ideas.

I'm looking forward to a great year with lots of wonderful learning from all of us.

Janice Cuculoska
Principal

PBS Term 1 Weeks 6-10 Focus: We are responsible when we use the toilets appropriately.

At Camboon Primary School we encourage our students to be respectful of others and responsible for their own actions. Our new PBS focus is about respectful and responsible behaviour in the toilet areas of the school. Students will be taught how to use these areas appropriately and safely. By demonstrating the appropriate behaviours, they are being respectful to each other and the broader school community.

Our school behaviour matrix defines the following behaviours in the respectful and responsible area of our matrix.

- We value the personal space of others
- We are accountable for our behaviour choices

By supporting our students to be responsible in the toilet areas we are establishing a foundation of mutual respect and trust.

Assembly

Congratulations to Ms Halls and students in Room 16 on our first student run assembly. I loved the poems and it reminded me of the value of memorising poems and saying them as a group. It was fabulous to see our year 5 and 6 students presenting so confidently and being proud of what they presented.

Student leaders

Congratulations to each one of the students who stood up to do a speech. Unfortunately we don't always get what we want but I want every student to be proud of getting up to make a speech. Congratulations to the students who are on the school council and faction leaders. I look forward to seeing you represent our school with pride, confidence, courage and respect.

School Board

It was wonderful to have so many new members join our board. I would like to welcome these parents;

- Lauren Minahan who will also be the board chair
- Shella Smith
- Chelsea Rutter and
- Michael Hyde

MONSTER SMILES

Monster Smiles is an initiative created by one of our former students, Joe. You can read about Joe and his journey to develop Monster Smiles at

<https://www.monstersmiles.com.au>. Joe believes that when we practice random acts of kindness, it releases positivity: We feel better and the recipients of our acts feel better, which then makes them more likely to be kind to other people.

This year we have introduced a "Smiles and Kindness" Award for students who are positive role models within the school. The award will be presented by Mrs Cuculoska at assemblies. Students will receive a certificate, and a Monster Smiles pillowcase, donated by Joe.

**Congratulations to our February
Smiles and Kindness recipient**

AUSSIE OF THE MONTH

The Aussie of the Month Award is a West Australian primary school based award program which has been in operation for over ten years, with the participation of hundreds of schools across the state.

Like all of our awards the 'Aussie of the Month' recognises personal endeavour, achievement and contribution to the community. The awards also reflect some of the values we share as Australians, a sense of fair play, generosity of spirit, commitment to community, participation and a real concern for the environment.

**Congratulations to our February
Aussie of the Month recipient**
