Assembly Room 7 & 8

What a wonderful assembly our Year 3 students presented. The Power of Yet and having a growth mindset is so valuable for all of us, even as adults. Watching and listening to the item was wonderful and I am super impressed with how confidently students got up to speak to the whole school. It can be quite scary and they each persevered and were proud of themselves afterwards. Well done to Miss Sidhu and Miss Purdy for preparing the students.

NAPLAN

NAPLAN started today for our Year 3 and 5 students. As a school we value the data we get from this and utilise it to ensure students are progressing and that we are doing our best as staff to support growth and progress.

Research shows that school staff have a huge impact on student progress and achievement but we also know families do too. So thank you to parents for supporting us in having all students sit NAPLAN with the aim of showing progress. These assessments are just another part of school life and we support students to understand that it is about their own personal best. Thank you all for your ongoing support.

P&C meeting

It was wonderful to have so many parents at the last P&C meeting and we are hoping to see you all back and hopefully some more new faces. Please come along on Monday 20 March at 7pm in the Meeting Room in the front office. It is a great way for parents to support our school and get to know each other.

Perth Youth Leadership Conference

On Wednesday 1st March, the Student Councillors travelled by a City of Bayswater bus, with Mrs Halls to the Perth Convention and Exhibition Centre to take part in the Perth Youth Leadership Conference. This conference is a one-day, highly engaging event designed to support students in discovering their leadership potential, whilst providing them with strong foundations to succeed. During the day, the students participated in activities to develop their problem-solving skills and to increase their confidence in making decisions. This was a fantastic learning opportunity for our Student Councillors, and it will be interesting to see them apply the knowledge and strategies they gained on the day as they undertake their leadership roles this year.

Some of the feedback provided by the Student Councillors after the conference included:

I learned about the importance and responsibility of being a leader. Katherine

We learned to be self-confident, the different types of leaders and how to overcome our fears. Emery

You are never too young to start something big or accomplish your dreams. Chelsea

We are most appreciative to the City of Bayswater for providing us with a bus and to their volunteer driver, Graham Whitney, for transporting Mrs Halls and the students to and from the conference in a safe and timely manner.

MONSTER SMILES

Monster Smiles is an initiative created by one of our former students, Joe. You can read about Joe and his journey to develop Monster Smiles at

<https://www.monstersmiles.com.au>. Joe believes that when we practice random acts of kindness, it releases positivity: We feel better and the recipients of our acts feel better, which then makes them more likely to be kind to other people.

This year we have introduced a "Smiles and Kindness" Award for students who are positive role models within the school. The award will be presented by Mrs Cuculoska at assemblies. Students will receive a certificate, and a Monster Smiles pillowcase, donated by Joe.

AUSSIE OF THE MONTH

The Aussie of the Month Award is a West Australian primary school based award program which has been in operation for over ten years, with the participation of hundreds of schools across the state.

Like all of our awards the 'Aussie of the Month' recognises personal endeavour, achievement and contribution to the community. The awards also reflect some of the values we share as Australians, a sense of fair play, generosity of spirit, commitment to community, participation and a real concern for the environment.

CAMBOON PRIMARY SCHOOL is participating in the Wonder Recycling Rewards Program again for 2023.

Wonder Recycling Rewards is a fun and easy program for Aussie schools* to recycle bread bags. Once collected, Wonder will turn the plastic into wonderful things like school* play equipment!

So, start collecting any plastic bags that you buy your bread in. Bring plastic bread bags into the school library where you will find a collection box.
