Message from the Principal

Pre-primary Assembly

Congratulations to the students and staff in EC2 and EC3 for their amazing assembly presentation and item. They looked awesome and definitely had fun performing in front of an audience. The students were very brave to get up and speak in front of the whole school. It always makes me very proud to see how confident our students are. Well done again to all involved in preparing the students.

Faction Cross Country

Congratulations to Mr Gaspar on running a wonderful event. We both made the tough decision to cancel on Wednesday and go ahead on Thursday. It is so difficult to predict weather but I was impressed with the resilience of our students and staff. Unfortunately I didn't get to see much of it as I was in meetings but I have only had positive feedback from students, staff and parents. It was a wonderful whole school event which enabled students to cheer each other on and support their faction. I also heard there was some wonderful dancing!

School Board

The meeting was held on Monday 12 June where our On Entry data was presented by Mrs Nguyen and Mrs de Burgh to show how our

students in Pre primary to Year 2 are progressing. We also reviewed the school budget. We are looking for 2-3 more parents to join the school board and if you are interested, please email me at Janice.cuculoska@education.wa.edu.au and I can give you more information. It is a great way to support the school and have a say.

P&C meeting

This was also held on Monday 12 June with a great turn out. Planning for Term 3 events was completed and more information will come out soon.

Long Service Leave

I will be on leave for the first four weeks of term 3. Mrs Petkoff will be acting Principal and Mrs Nguyen will be acting Deputy and I know they will lead the school wonderfully and that you will all support them. I am sad that I will be missing some great school events but I look forward to hearing about them.

Week 6-10 Term 2 PBS Focus

We are respectful when we walk around the school safely. At Camboon Primary School we encourage respectful and responsible behaviour amongst all students, staff and the wider community. Our new PBS focus is 'we are respectful when we move around the school safely'. We can show this by always walking;

- Inside our classrooms
- In the wet areas
- On the footpaths
- On the grassed areas around the buildings.

This is for the safety of everyone who enters the school, and we encourage our students to follow this expectation to ensure a safe environment for themselves and others. When we demonstrate this expectation and ensure the safety of others, our students are demonstrating respectful and responsible behaviour. Respectful behaviour is important so we can build positive relationships of trust, safety and wellbeing.

MONSTER SMILES

Monster Smiles is an initiative created by one of our former students, Joe. You can read about Joe and his journey to develop Monster Smiles at

<https://www.monstersmiles.com.au>. Joe believes that when we practice random acts of kindness, it releases positivity: We feel better and the recipients of our acts feel better, which then makes them more likely to be kind to other people.

This year we have introduced a "Smiles and Kindness" Award for students who are positive role models within the school. The award will be presented by Mrs Cuculoska at assemblies. Students will receive a certificate, and a Monster Smiles pillowcase, donated by Joe.

**Congratulations to our June
Smiles and Kindness recipient.

Year One Scitech Excursion.

This week, our Year One classes hopped on a bus and headed to Scitech for the day. The students had a fantastic time exploring the exhibitions and learning about how simple machines work. They also got to watch an entertaining puppet show about reusing materials to create something new!

Overall, the students had a great day and were exhausted by the time we arrived back at school. A huge thank you to our parent helpers on the day. Your support ensured that a fantastic day was had by all.

AUSSIE OF THE MONTH

The Aussie of the Month Award is a West Australian primary school based award program which has been in operation for over ten years, with the participation of hundreds of schools across the state.

Like all of our awards the 'Aussie of the Month' recognises personal endeavour, achievement and contribution to the community. The awards also reflect some of the values we share as Australians, a sense of fair play, generosity of spirit, commitment to community, participation and a real concern for the environment.

**Congratulations to our March
Aussie of the Month recipient.

CAMBOON PRIMARY SCHOOL is participating in the Wonder Recycling Rewards Program again for 2023.

Wonder Recycling Rewards is a fun and easy program for Aussie schools* to recycle bread bags. Once collected, Wonder will turn the plastic into wonderful things like school* play equipment!

So, start collecting any plastic bags that you buy your bread in. Bring plastic bread bags into the school library where you will find a collection box.
