## Music Assembly

What a treat we had last Friday! We were spectacularly entertained by our guitar ensemble, brass ensemble and our school choir. The students performed wonderfully. I am always impressed by their focus and

persistence. Congratulations to all students and to Mr Ferrier for a wonderful year of music teaching and learning.

## Mrs Pesce Update

It is with sadness that I am announcing that Mrs Pesce will not be returning to Camboon PS. She will be dropping in at some events this year and we will be acknowledging and farewelling her next year. I will certainly miss her.

## 2024 Kindy Parent Meeting

It was lovely to welcome and meet the parents of our incoming Kindy students. There were many parents entering 'school world' for the first time! It was wonderful to see our school community come together to present all the things that happen at Camboon. Thank you to Mrs Nguyen for organising and presenting, Joanna Selby our wonderful school nurse, Chelsea Rutter who spoke on behalf of the P&C and to Sam Carpenter who opened the uniform shop even though she wasn't feeling great.

## 2024 Planning

Our student numbers for 2024 are lower than expected, however, I am hoping that more enrolments will come in before the end of the year. We do have space for more students in most year levels and I am trying my hardest to structure the classes before the end of the year. However, it looks likely that we will not be putting up 2024 class lists until next year. I will keep you updated as best as I can.

If you are leaving the school (obviously Year 6 students will be), please email me to ensure that I have accurate numbers.

## POSITIVE BEHAVIOUR SUPPORT (PBS)

**Term 4 Weeks 6-10 Focus:**

***We are responsible when we use our playground equipment safely.***

At Camboon Primary School we are dedicated to providing a safe environment for your children. One way we do this is to teach our students how to use the playground and the equipment appropriately and safely.

Our playgrounds encourage students to exercise their bodies, brains and social skills. It gives them a chance to engage in unstructured free play that is important for their development.

By supporting the students to be responsible for their safety and the safety of others, through teaching them the correct way to use the equipment, we are establishing a foundation for success.

## Aussie of the Month

The Aussie of the Month Award is a West Australian primary school based award program which has been in operation for over ten years, with the participation of hundreds of schools across the state.

Like all of our awards the 'Aussie of the Month' recognises personal endeavour, achievement and contribution to the community. The awards also reflect some of the values we share as Australians, a sense of fair play, generosity of spirit, commitment to community, participation and a real concern for the environment.

***Congratulations to our  
Aussie of the Month recipient***

***Hayley P, Room 9.***

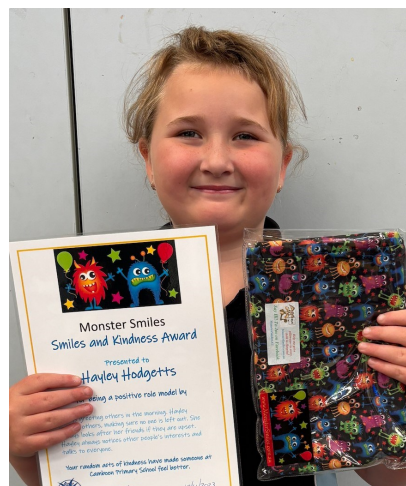

## MONSTER SMILES

Monster Smiles is an initiative created by one of our former students, Joe. You can read about Joe and his journey to develop Monster Smiles at <https://www.monstersmiles.com.au>.

Joe believes that when we practice random acts of kindness, it releases positivity. We feel better and the recipients of our acts feel better, which then makes them more likely to be kind to other people.

This year we have introduced a "Smiles and Kindness" Award for students who are positive role models within the school. The award will be presented by Mrs Cuculoska at assemblies. Students will receive a certificate, and a Monster Smiles pillowcase, donated by Joe.

***Congratulations to our  
Smiles and Kindness recipient***

***Hayley H, Room 4.***

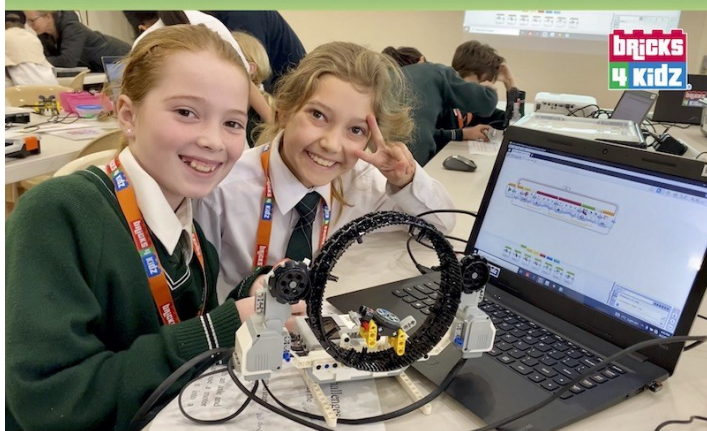

### Bicycle and tricycle chain guarding

There is a risk of serious lacerations if a student's toes or fingers are caught between the bicycle or tricycle chain and chain wheel (also known as the drive sprocket or sprocket). You can help to prevent injury by guarding bike and trike chains and drive sprockets.

To reduce the risk:

- Guard the chain and drive sprocket on bicycles and tricycles. The preferred guard is one which covers the top and bottom of the chain and sprocket. This is especially important for bikes and trikes used by young students. Contact a supplier of the bike or trike to find out if they supply full guards to fit the brand.
- ensure students riding bikes and trikes wear closed-in shoes.
- make sure the bike or trike is the size recommended for the age of the student
- Regularly service all bikes and trikes.
