Monday 19 February

- School Board Meeting, 5:30pm.
- P&C Meeting, 7:00pm

Christmas assembly

It was another wonderful end of year celebration with amazing performances from each year level. What a great variety of songs we heard! Well done to students and staff on such wonderful entertainment. I particularly enjoyed hearing the reasoning behind why the recipients received their awards. Congratulations to all award winners!

Choir visit

It was lovely to hear the excitement from our choir students as they headed over to the Juniper Ella Williams Residential Aged Care facility. Thank you to Mr Ferrier and Mrs Nguyen for making this happen.

Year 6 Graduation

I was once again impressed by our students, who looked amazing with their farewell song bringing goosebumps and tears. The graduation ceremony was held on Monday 11

December and was a wonderful

event acknowledging the fantastic learning our Year 6 students have completed at Camboon. I would like to thank all staff and parents who worked together to ensure the graduation was a success.

It was lovely to hear where each student was heading for high school and how many have been accepted into specialist, gifted and talented programs. I congratulate all award recipients and I wish each student all the very best for high school and every success in the future. They have had a great start to their education and we look forward to hearing about all the great things they achieve.

We look forward to our students coming back to visit, to tell us all of the great things they are doing. The Year 6's were lucky to attend a graduation excursion yesterday to celebrate finishing primary school.

Thank you

We would like to take this opportunity to thank the amazing team of Year 5 parents, who kindly donated their time at the Year 6 Graduation to set up, serve the supper, work in the canteen and clean-up everything after the supper, so that our Year 6 parents and family members were able to enjoy this ceremony. We sincerely thank you, for this act of "paying forward" and appreciate everything you did on the night including the offer to stack the chairs.

Student reports

Reports will go home today (Wednesday 13 December), however, parents were able to access them on Connect yesterday (Tuesday 12 December). This eliminates the need for us to provide second copies as parents are able access them on Connect. Please ensure you find the time to sit with your child and read through each area, looking at the grades and paying specific attention to the comments.

Teachers spend a lot of time writing valuable comments that also give you information on how your child can improve. It is very important that your child understands the report and takes it as valuable feedback for future improvement.

Learning is lifelong and we encourage our students to do their best but also work on areas they can improve. Please support your child to continuously learn.

Care For Kids OSHC at Camboon Primary School

Care for Kids OSHC run a great program on site at Camboon Primary School. Consistent, qualified carers, great activities, afternoon tea, vacation care on site, ECRU accredited.

Full government benefits and rebates apply.

2023 Judy Pakiufakis Values Award

The Judy Pakiufakis Values Award is a perpetual award that started in 2004 after the loss of a long-serving, dedicated teacher at Camboon Primary School. Judy was more than just a teacher, she was a kind and compassionate individual who always gave more.

She organised a number of charitable activities and used her personal time to help those in-need.

The student nominated by Camboon staff to receive the Judy Pakiufakis Values Award upholds the school values of courage, perseverance and respect, is a fine role-model to others, has tolerance and understanding and has positive relationships with peers and staff.

Congratulations to Hayley P.

An Extraordinary Learning Experience

Put some CRUNCH into your day!

Australian children are not eating enough vegetables. Primary school aged children need between 4 and 5 serves every day. Eating vegetables will benefit:

- bones and joints
- brain and nervous system
- energy and metabolism
- heart and circulation
- hydration
- immunity
- skin
- vision

AND they taste great!

Why not pack some fresh vegies for Crunch&Sip?
Try carrot sticks, cherry tomatoes, snow peas, broccoli and cauliflower pieces, celery or cucumber.

Summer's Here
by Helen H. Moore

Summer's here!
Another year
of school is at an end.
We've learned a lot
And grown a lot
Of friends.
We'll say goodbye,
Now summer's here,
It's time for us to part.
But we'll remember all our friends
And keep them in our hearts.

Packed with Goodness.

How much sugar is in that drink?

Most of us know that soft drinks are full of sugar, but what about other commonly purchased sugary drinks? You might be surprised to find out just how much sugar is in the drinks children may be reaching for regularly. Sugary drinks can lead to tooth decay, poor health and weight gain. Limit the intake of sugary drinks and reach for water instead.

16 teaspoons Cola (600mL)	14 teaspoons Energy drink (500mL)	13 teaspoons Apple fruit drink (500mL)	13 teaspoons Chocolate milk (600mL)	9 teaspoons Sports drink (600mL)	0 teaspoons Water
