Music Assembly

Congratulations to all our talented students on the Music Assembly and well done to Mr Ferrier for arranging it all. I was extremely impressed with our choir who once again sounded fabulous, our guitar students who played so well as a group and the brass group who were very entertaining. What I loved noticing were the happy smiles on the students faces and how proud of themselves they were. I love that we can offer these opportunities to our students.

Planning for 2025

I am currently looking at class structures for 2025. To do this, we need to know how many students we will have next year.

If you are leaving the school (obviously Year 6 students will be), please email

camboon.ps@education.wa.edu.au to ensure that I have accurate numbers.

We have quite a bit of space for students in most year levels, if you know anyone wanting to come to our great school, please ask them to apply now.

2025 Class Lists

We will soon be looking at classes for 2025.

The class lists are created based on current student enrolment numbers for 2025 and are subject to change.

Our staff spend time creating the lists based-on their knowledge of students, taking into account learning needs, behaviour, friendships and social-emotional needs. Staff ensure that a range of students are in each class and this allows students the opportunity to develop new friendships. Parents can put a request in writing, regarding their child's needs.

These will be taken into consideration when class lists are being finalised but we take considerations as a guide only, it is not a guarantee.

Transition Day

We will be undertaking our K-2 Transition Morning this week. Please see the schedule below planned for Thursday and Friday. Class teachers have explained this process to the students to help alleviate any anxiety students might feel.

MSN-Young Voices

On Wednesday 13th November, 3 students from Camboon competed in the MSN – Young Voices Public Speaking Competition held at Morley Primary School. The purpose of the competition was to provide the opportunity for students to improve their confidence and public speaking skills in a safe, supportive environment. The competition gave all participants a chance to have their voices heard and also provided a forum for our students to share their interests and topics they are passionate about. The competition included a Year 4 and Year 5/6 division.

Congratulations to the following students:

Levi P who came 1st in the Year 4 division with his speech on 'The Olympics'.

Samar R who came second in the Year 5/6 division for his presentation on the 'Caracal', an animal found in India, Pakistan and Africa.

Matthew L received an honourable mention in the Year 5/6 division for his talk on 'Australian Bushfires'.

Congratulations to all 3 students for making it to the finals, we are very proud of you!

Aussie of the Month

The Aussie of the Month Award is a West Australian primary school based award program which has been in operation for over ten years, with the participation of hundreds of schools across the state.

Like all of our awards the 'Aussie of the Month' recognises personal endeavour, achievement and contribution to the community. The awards also reflect some of the values we share as Australians, a sense of fair play, generosity of spirit, commitment to community, participation and a real concern for the environment.

*Congratulations to our
Aussie of the Month recipient*

Charlie H, Room 16.

MONSTER SMILES

Monster Smiles is an initiative created by one of our former students, Joe. You can read about Joe and his journey to develop Monster Smiles at <https://www.monstersmiles.com.au>.

Joe believes that when we practice random acts of kindness, it releases positivity. We feel better and the recipients of our acts feel better, which then makes them more likely to be kind to other people.

In 2022 we introduced a "Smiles and Kindness" Award for students who are positive role models within the school. The award will be presented by Mrs Cuculoska at assemblies. Students will receive a certificate, and a Monster Smiles pillow-case, donated by Joe.

*Congratulations to our
Smiles and Kindness recipient*

Eden R, Room EC3.

2024 Premier's Reading Challenge.

It was wonderful to see our school represented in the awards for the 2024 Premier's Reading Challenge.

Congratulations to Shuo who was named as a finalist in his age category, well done Shuo!

Shuo was unfortunately unable to attend the awards presentation at Parliament House but was presented with his prizes at the most recent PBS assembly.

Orientation Day at Hampton SHS – November 25, 2024

Students attending Orientation Day **MUST** be fully enrolled. All students wishing to enrol for 2025 need to submit an application to enrol form with all relevant documentation. Please refer to our website for an application form or phone 6235 7100 for assistance.

Places are limited so act promptly to avoid disappointment.

CHAPLAIN'S CORNER

we are almost there everyone!

I know this year seems to have flown by, but the fatigue and weariness may start to catch up soon. I just want to emphasise how important it is to finish strong. Sometimes when we get close to the end of the year it seems it may be easier to put things off, or to leave them for next year (I'm as guilty as the rest of us) but putting that extra 1% in now will make the rest and reset all the more relaxing and rewarding.

We can't put a price on peace of mind, so I encourage everyone to keep up the amazing job they're doing as parents, carers, siblings, families, providers, teachers, assistants and friends! Please remember that if things get a bit tough that there are numerous supports available. No matter what your circumstances are, feel free to get in contact with me if you would like to access them!

Packed with Goodness.

How much sugar is in that drink?

Most of us know that soft drinks are full of sugar, but what about other commonly purchased sugary drinks? You might be surprised to find out just how much sugar is in the drinks children may be reaching for regularly. Sugary drinks can lead to tooth decay, poor health and weight gain. Limit the intake of sugary drinks and reach for water instead.
