Assembly

It was so wonderful to see our Student Leaders running the assembly and so confidently presenting. I loved their creativity in the song about their Leadership Excursion. It was very clever and entertaining. Well done and thanks to Mr Dickson for leading our leaders. The excursion gives the students an opportunity to learn about themselves and about being leaders. We love being able to take our students to this day and seeing them grow in confidence.

NAPLAN

It is that time of year again when our Year 3 & 5 students sit NAPLAN assessments. At Camboon PS we treat these assessments like any others that we do. We encourage kids to do their best, have a go and the results we get help guide us to progress the kids in their learning journeys. Thanks to all our parents for being so supportive.

P&C AGM

I want to thank all the parents who attended both in person

and online. I am hoping we have some more parents who want to join and perhaps start learning about the President role. Mr Petkoff is happy to help and share information as it would be better if we had a parent in that role. Please feel free to contact me if you want more information. The P&C is such an important part of our school and we really need more parents helping out.

Before School Drop Off

A reminder to parents that students should not arrive at school before **8.20am**, as supervision is not available before this time. Students who arrive earlier than 8.20am must attend **Zig Zags Before School Care** to ensure they are safely supervised. The safety and wellbeing of our students is always our highest priority.

Nuts at School

We have several students at Camboon Primary School with allergies, particularly to **tree nuts**. To support a safe environment, we ask parents to please avoid sending food that contains nuts as an ingredient. Foods that state "*may contain traces of nuts*" are acceptable for your own child. We also remind students not to share or swap food during recess and lunch.

Early Childhood Playground

Finally, works have started for the groundworks and then installation of the new early childhood playground. The plan is for it to be completed in the next few weeks. Watch this space.

THANK YOU to two amazing parents, Mike Murphy and Joshua Farrell for spending a weekend to remove years' worth of overgrown grass and sand to make our jump pits safer and better for our kids this year. We truly appreciate the donation of your valuable time and skills.

Aussie of the Month

The Aussie of the Month Award is a West Australian primary school based award program which has been in operation for over ten years, with the participation of hundreds of schools across the state.

Like all of our awards the 'Aussie of the Month' recognises personal endeavour, achievement and contribution to the community. The awards also reflect some of the values we share as Australians, a sense of fair play, generosity of spirit, commitment to community, participation and a real concern for the environment.

*Congratulations to our March

FREE PARENTING PROGRAMS

At the **Midvale Hub Parenting Service (Perth North East)**, we understand how important strong family support is to a young person's wellbeing and school experience. As Term 1 draws to a close, we would love to partner with your school by offering a range of free parenting programs available in Term 2, designed to strengthen family relationships, build confidence, and support young people's development.

To help families access these opportunities, we would greatly appreciate your support in sharing our upcoming Term 2 programs and workshops through your school communications. I have sent you the April/May flyers only.

Attached are the flyers that can be printed or shared via newsletters and social media, along with Humanitix link where parents can easily express their interest or they can call and email.

The attached flyers reflect the areas where your families may reside, and the Humanitix link also provides access to programs across our four local government areas, giving families a range of options to participate.

If you would like tailored materials or have a preferred way of sharing information with families, please let me know. We are always happy to support your school's communication needs.

Thank you for the important work you do, and for partnering with us to strengthen family wellbeing across our community.

Protective Behaviours

For parents and carers of young people 0 to 11 years

📅 Thursday 25 June 2026
🕒 7pm to 9pm
🌐 Online Platform Delivery *A laptop or iPad with a camera is required

Protective Behaviours (PB) is a practical, empowering approach to personal safety. Gain strategies to help your child build lifelong skills in assertiveness, confidence, problem-solving, communication, and resilience. Learn how to teach your child to recognise and respond to unsafe situations.

The program is built around two core themes:

- 'We all have the right to feel safe all of the time.'
- 'We can talk with someone about anything no matter what it is.'
