## SCHOOL MISSION

We facilitate learning by inspiring and empowering students to achieve their best every day

## SCHOOL VALUES

Courage Perseverance Respect

### CALENDAR OF EVENT

• **Wednesday 24 June**—Real: Schools Paren Session

• **Friday 26 June**—Assembly: Room 9 Year 3/4

### Room 17 Assembly

Congratulations to the students of Room 17 and Mrs Litwin on a creative and meaningful assembly. It was wonderful to hear about democracy and freedom and how students at Camboon have a voice. The presentation was outstanding. Well done to all of you.

### Public School Review

On Wednesday 27<sup>th</sup> May, we had our review. All Western Australian public schools are reviewed by the Department of Education's School and Principal Review Directorate. A review gives assurance to the local community, the Minister for Education and the Director General about the performance of public schools in delivering high quality education to students. The review acknowledges the achievements of the school and gives feedback to support the Principal and staff with their improvement planning. The reviewers have commented; "It was a great day, with the discussions with your amazing students a real highlight!" Once the official report is completed, I will share it with the school community as I want to celebrate the fact that we are a great school and also acknowledge that there are some things we can do to continue being a great school. I want to sincerely thank our amazing staff, student leaders and parents who explained very clearly how we do things at Camboon PS!

### Staff Development Day

On Friday 29<sup>th</sup> May, Camboon staff went to the WA Museum to increase our knowledge and understanding of Aboriginal Histories and Cultures. The professional learning session helped us to further our understanding, how we as

educators can support understanding and the tour gave us insight into amazing history and culture. I would certainly recommend families to visit the WA Museum and enjoy exploring and learning together.

### Parents Save the Date.

This is our third year of our Real Schools partnership. Candice Brown will be coming to our school on Wednesday 24<sup>th</sup> June to work with staff and run a parent information session at 5pm on the topic Bully Proofing Your Child. I would like to see as many parents there as possible.

**Please see Bully Proofing Your Child brochure on page 3 for more information.**

### BIG VISUAL ART NEWS AT CAMBOON

Two of our wonderful students have achieved incredible things in the art world. Peyton's self portrait was shortlisted for the Young Archie Award. With over 4,300 entries, Peyton's work was in the top 8% of entries. This is a massive achievement and we are immensely proud of her.

Darcy's poppies were accepted into the City of Bayswater Art Award for 2026. Please go and support Darcy and check out his incredible work at the free exhibition.

## New Flags for our School

We received a visit from Ms Tania Lawrence MHR (Hasluck) who presented us with three new flags- The Australian National Flag, The Aboriginal Flag and The Torres Strait Islander Flag. Ms Lawrence presented each flag to a pair of Student Councillors, who held the flags while Ms Lawrence quizzed the students about various aspects of each flag. The students who answered questions correctly, receives a miniature flag from Ms Lawrence. We would like to thank Ms Lawrence for taking the time to come to the school to present the flag and to present them in such an engaging way. The Student Councillors raise and lower the flags every day and you can see them on the flagpoles near to the old Undercover Area.

## Camboon Social Justice Committee

The Camboon Social Justice Committee were invited by the City of Stirling to beautify Seabrook Wrigley Reserve in Dianella last Friday. The day was filled with meaningful environmental activities, including planting around six native plants per student and three trees per team, helping to contribute to local biodiversity. Students also enjoyed participating in the "Water for Wellbeing" game facilitated by the City of Stirling, and a creative "Clay Creatures" workshop run by Educated by Nature. The event concluded with a well-earned sausage sizzle lunch prepared by the Lions Club, served alongside apple and orange juice, making it a fun and rewarding experience for all involved

## May 27th to June 3rd is National

Reconciliation Week, celebrating the spirit and resilience of Aboriginal and Torres Strait Islander peoples.

This years theme was "All In", encouraging everyone to play a part in building a more inclusive future. Our students showed they were "All In" by creating thoughtful drawings in a circle representing unity and respect. Our staff continued our learning journey by attending the Boola Bardip museum for some Professional Learning on Aboriginal Histories and Cultures. A very inspiring week of learning and reflection

### Parent Information Session

#### WHERE

Camboon Primary School

#### DATE

24th June 2026

#### TIME

5pm

#### Your Facilitator

Candice Brown has worked for more than 25 years as a teacher, principal, coach, consultant and university lecturer. She believes a restorative school culture will impact student and staff achievements positively.

Most recently she has worked as principal in complex rural environments where she focuses on transforming lives and building identity. She works with stakeholders across the school community to enhance the teaching and learning environment using restorative practices and inclusive approaches. Connection with the local community is really important to her.

## Bully Proofing Your Child

Australian parents are very concerned about bullying and what the implications are for their children. It's likely that you are too.

For many parents it's the absence of any knowledge of the plan to prevent and respond to bullying that causes the most worry and stress.

We can do something about that and we want you to be involved.

#### What you can expect from our Parent Information Session

- Information on what bullying is in today's schools and how it can be prevented.
- Strategies that Camboon Primary School are using to prevent bullying from impacting your child's learning.
- Ways that parents can support a child who is bullied ... and also how they can help a child who does the bullying.
- Deep knowledge of how we are using restorative approaches at the school to respond when bullying rears its ugly head.
- A sound understanding of how the home environment plays a critical role in bullying prevention.

## Aussie of the Month

The Aussie of the Month Award is a West Australian primary school based award program which has been in operation for over ten years, with the participation of hundreds of schools across the state.

Like all of our awards the 'Aussie of the Month' recognises personal endeavour, achievement and contribution to the community. The awards also reflect some of the values we share as Australians, a sense of fair play, generosity of spirit, commitment to community, participation and a real concern for the environment.

*Congratulations to our June Aussie of the Month recipient—Khoa –Room 1*
