TERM 3

Room 9 Assembly - Thank you to Mrs Hardy and the awesome Room 9 students for their fabulous educational assembly. I was impressed with their persuasive presentation about NAIDOC Week, which we can all celebrate from **5–12 July 2026**. National NAIDOC Week is held in the first full week of July every year (Sunday to Sunday) to celebrate and recognise the cultures, histories and achievements of Aboriginal and Torres Strait Islander peoples. I also loved the song, *My Island Home*. I am very proud of the way we recognise, value and learn from Aboriginal and Torres Strait Islander peoples at Camboon PS.

Semester 1 Reports - The Department of Education has made changes to the Reporting to Parents Policy. Semester reports will now include only grades, effort ratings and a general comment that incorporates information about English and Mathematics. As always, please spend time with your child reviewing their report, celebrating their progress and discussing areas for improvement. Staff spend a great deal of time planning, teaching, assessing and reporting, so please take the opportunity to support your child as they continue their learning journey.

Staffing Updates - This year has been a very busy one with staffing changes, and I appreciate the way our whole school community continues to be supportive and understanding, recognising that many of these changes are beyond our control. We sincerely thank Caroline Centa, Keeley Jones and Sophia Pesce for the great work they have done this term, and we wish them all the very best.

We welcome Tania McGhee, who has been appointed to the permanent Music Teacher position following a highly competitive selection process. Mona Litwin will continue to replace Jodie Long for Semester 2. We will also be welcoming back Nerissa Le to Room 3 on Thursdays and Fridays. Laura Crimmin will increase her allocation to two days per week, continuing in Room 16 and joining the Kindy team on Wednesdays. We also welcome back Erin Bullock to our Education Assistant Team. I wish everyone a safe, happy, relaxing and enjoyable holiday break. Stay warm and healthy, and I look forward to seeing the students back on **Tuesday, 21 July** for another great term of learning.

Genius Hour Exhibition in Room 17

Last Thursday, families and members of our local community were invited to attend our **Genius Hour Exhibition** from 2:30 pm to 4:30 pm. Showcasing over 23 different inquiry topics, the displays were truly creative, innovative and inspiring. Students proudly shared six months of dedicated work, research and learning, based on the belief that when children are given opportunities to explore their passions and interests, their engagement,

participation and enthusiasm for learning increase significantly. The exhibition was a wonderful celebration of student curiosity, creativity and achievement. One student summed up the excitement of the program perfectly, saying, *"There is nothing more exciting than Genius Hour at school."* Their enthusiasm was evident throughout the afternoon as students confidently shared their learning with families, staff and community members.

We would like to extend our sincere thanks to all the families and community members who attended the exhibition. Your support, encouragement and interest in the students' learning made the event even more special. Seeing students proudly share their passions and achievements with an authentic audience was a highlight of the afternoon and a fitting celebration of their hard work and dedication.

The School Dentist Visits Cluster 3

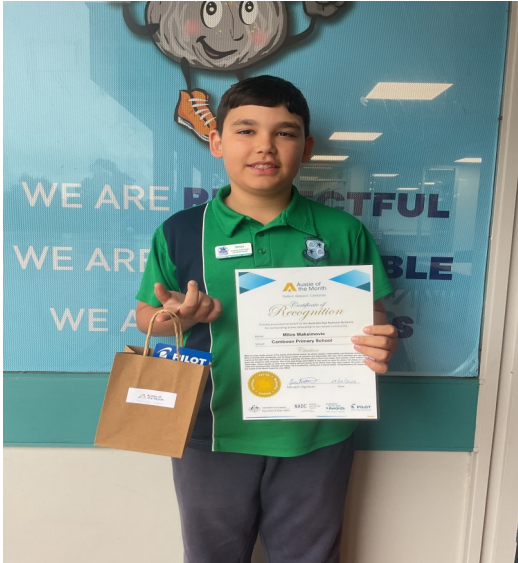

During our school visit with Dr Rachel and Anna, we learned a lot about the structure of teeth and the best ways to clean our teeth, gums, and tongues. We discovered how important good oral hygiene is for keeping our mouths healthy and our smiles bright. We also learned how breathing through our noses can help us feel more comfortable when visiting the dentist and while brushing our teeth. Thank you so much for guiding us towards better oral hygiene and teaching us healthy habits that we can use every day to keep our teeth and gums healthy. We really enjoyed this informative and engaging experience. □

Aussie of the Month

The Aussie of the Month Award is a West Australian primary school based award program which has been in operation for over ten years, with the participation of hundreds of schools across the state.

Like all of our awards the 'Aussie of the Month' recognises personal endeavour, achievement and contribution to the community. The awards also reflect some of the values we share as Australians, a sense of fair play, generosity of spirit, commitment to community, participation and a real concern for the environment.

Congratulations to our June Aussie of the Month recipient—Milos—Room 16
